Last Date for registration	25 th October, 2023
Abstract/ Oral Presentation/ Poster Submission Last date	15 th October, 2023
Confirmation of selected abstracts/Oral/Poster date	20 th October, 2023
Conference Date	30 th & 31 st October, 2023

Registration Details

- Last date for registrations: 15th October, 2023
- Conference is conducted via offline and online mode
- Online link will be shared to the registered participants during the day of conference.
- Oral Presenter/ Poster presenter should register as a delegate/student.
- If you want to participate without any presentation, you can register as an attendee.
- The registration fee is based on your citizenship, not nationality.
- Certificate of participation will be provided to the participants on the final day of conference at registration desk.
- E-certificates will be provided to the online participants.
- **Participants Interested in Oral and Poster Presentations have to come and present in person at conference venue.**
- Please go through the details of the fees mentioned below before you register. The fees is comprehensive for providing you with the best returns from the conference.

Call for Poster Presentations

Any poster presentation that is broadly within the scope of the conference thematic areas are considered. Poster sessions are an informal format for presenting research data or highlighting innovative practices. In the research category, you are encouraged to present any current research. Research is a broad category and can include many types of methodologies, such as experimental research, applied research, program evaluations, or literature reviews addressing research questions. In the practice category, you are encouraged to highlight any

Registration Fees

Conference Mode

Global Trends in Sustainable Technology and its Applications in Applied Sciences (GTSTAAS-2023) - Conference will be held at REVA University. The authors of accepted papers will have a choice to present their papers on site at REVA University. All accepted papers will be included in the conference proceedings. The same will be shared with all registered participants within a month after the conference through digital mode.

innovative practice or intervention.

1. Oral presentations are conducted only in offline mode.
2. The presenters should be available at venue to deliver Poster presentation

Those interested in presenting must submit a

- (a) 8-10- word title,
- (b) 25-50- word abstract of their presentation
- (c) one to two- page summary of the presentation, and
- (d) 2-5 keywords describing your poster.

Participants should include the category of poster, primary presenter's name, address, phone number, e-mail, Affiliation/ place of employment, and name of additional presenters in the poster.

Poster Size: 90cm Width X 120cm Height

Poster submission deadline: 15th September 2023

Confirmation of Selected Posters: 15th October 2023

About the 3rd International Conference

School of Applied Sciences, REVA University welcomes you to the 3rd International conference on Global Trends in Sustainable Technology and its Applications in Applied Sciences (GTSTAAS-2023) on 30th and 31st October 2023 at REVA University, Bangalore. The international conference has been specifically designed with the intention of delivering outstanding outcomes and challenges in the Physical, Chemical, Mathematical, Biological, Medical and Health Science sectors. It intends to bring collectively researchers, scientists, technicians, and scholars in all fields of the applied sciences, medical and healthcare sector, for the propagation of original research conclusions, new approaches and developmental practices that yield real results. The conference theme "Global Trends in Sustainable Technology and its Applications in Applied Sciences (GTSTAAS-2023)" is dedicated to bringing together a significant number of diverse scholarly events for presentation within the specified domains of conference. Participants will have an opportunity to interact with leading experts from their respective fields to bestow their research plans in different countries. With eminent International and National Speakers, the conference provides an exceptional value for students, academics, and industry experts and researchers. The conference aims to bring together leading scientists, researchers, and research scholars to exchange and share their experiences and research results on all aspects science. It also provides an interdisciplinary platform to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered, and solutions adopted in the fields of Life Science, Chemical & Physical sciences, and Medial Sciences.

About the Indian Association of Applied Microbiologists

Indian Association of Applied Microbiologists is one of the representative voluntary organizations of Microbiologists of basic and applied aspects, which looks after the interest of many eminent microbiologists, students, and the wellbeing of the society. IAAM was formed in the year 2000 under Tamil Nadu Society's Registration Act 1975, under the leadership of Prof Dr. P. Rajendran. As an organization, it has continued to play an important role in its deliberations to help in R&D in the field of Microbiology. So far it has proudly hosted number of National Conferences in various parts of Tamil Nadu. Today it stands as a well-established Association which organizes periodic meetings, symposia, workshops, and special lectures by eminent scientist's world over.
