## Report on Library Orientation for UG Students -2022-2023

Date: 10th to 14<sup>th</sup> October 2022

Place: Library Information Centre

### Objective

The significance of orientation to a library! For first-year under graduate students, it's an important event that attempts to acquaint them with the facilities, services, and resources available in the library. Permit to explain its importance and the goals it seeks to accomplish.

A library orientation serves the primary purpose of acquainting students with the design and structure of the library. For effective research and leisure reading, knowing where to find various sections—such as the fiction, magazines, and reference sections, special concern towards using the online databases—is essential.

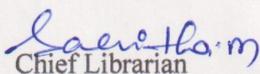

Additionally, students receive instruction on the several databases and research tools that are available to them during the library orientation. It gives the students a summary of the online catalog and teaches them how to look up books, journals, and other resources linked to their field of study.

Another objective of library orientation is to make students aware of the range of services offered by the library. These services may include interlibrary loan, research assistance, citation support, and access to digital resources. Informing students about these services empowers them to use the library to its fullest potential and seek the necessary assistance when needed.

Additionally, library orientations often highlight the importance of academic integrity and ethical research practices. By emphasizing the proper use of citations, plagiarism avoidance, and copyright awareness, students are encouraged to maintain scholarly integrity throughout their academic journey.

### Outcomes:

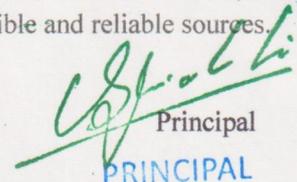

In summary, the aim and objectives of a library orientation are to familiarize students with the library's layout, introduce them to research tools and databases, highlight available services, and promote academic integrity. By accomplishing these objectives, the library orientation assists students in becoming savvy and independent users of the library, enriching their academic experience. By familiarizing students with these tools, it encourages independent research skills and enhances their ability to find credible and reliable sources.

Report: Library Orientation Class for Post-Graduate Students 2022-2023

Date: 9<sup>th</sup> Jan 2023 to 14<sup>th</sup> Jan 2023

Place: Library and Information Centre

An orientation session for post-graduate students was conducted by the librarian with the aim of familiarizing the students with the resources, services, and facilities available at the library. The session was held on 9<sup>th</sup> Jan 2023 to 14<sup>th</sup> Jan 2023 at Library and Information Centre.

Key elements of the orientation class included:

1. Introduction to Library Resources:

The librarian provided a comprehensive introduction to the diverse range of resources available at the library, including books, journals, periodicals, e-books, and digital databases. The importance of utilizing these resources for academic research and learning was emphasized to the students.

2. Library Services and Facilities:

An overview of the various services and facilities offered by the library, such as interlibrary loans, reference services, photocopying/printing, and access to digital resources, was presented. The students were encouraged to make full use of these services to enhance their academic pursuits.

3. Library Catalog and Online Access:

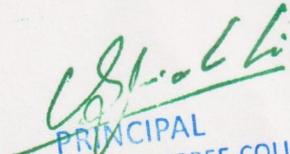

The librarian demonstrated the library catalog system and guided the students on how to search for books, articles, and other materials using the online library portal. A tutorial on accessing online resources, including e-journals and databases, was also provided.

4. Citation Management and Research Support:

An overview of citation management tools and research support services available at the library was presented. This included guidance on citation styles, managing references, and seeking assistance for research projects.

## Outcomes:

The orientation class received positive feedback from the post-graduate students, who appreciated the insights and practical guidance provided by the librarian. The students expressed a heightened sense of awareness regarding the available library resources and services, indicating a positive impact of the orientation session.

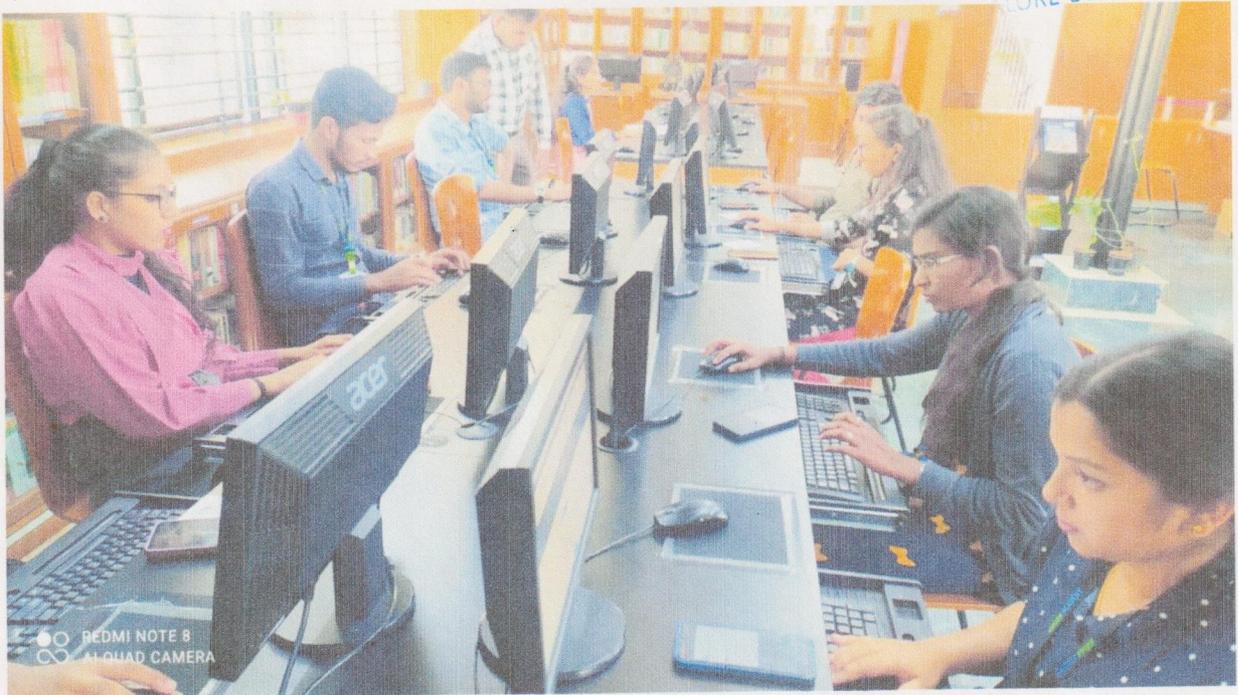

In conclusion, the orientation class proved to be an effective initiative in empowering post-graduate students with the necessary knowledge and skills to maximize their utilization of the library's resources for academic and research purposes.

### Report on the Celebration of National Library Week-2022

Introduction: This report provides an overview of National Library Week celebrations. National Library Week is an annual celebration of our country's libraries and librarians. IADC-A Library and Information Centre held an online quiz competition in honor of National Library Week, and government school students visited IADC-A Library.

#### 1. Quiz completion for UG Students.

Quiz competition to raise awareness about the importance of reading and to test students' current affairs knowledge. The online quiz competition was held at the IADC-A Library on November 15, 2022. The competition was open to students from all departments. The competition drew 22 students in total. The competition focused on general knowledge, with questions ranging from Current Awareness to English, Math, Science, and Social Studies. The quiz competition was organized by IADC-A librarians and library committee members. The competition was a huge success, and the students demonstrated a lot of knowledge and enthusiasm throughout the competition. Participants were given time to respond to each question and were encouraged to think outside the box in order to come up with creative solutions.

#### 2. Government School Students visit IADC-A Library.

Government school Students from classes 7th and 8th visited the library at IADC-A. The activity's main goal was to raise awareness among school students about how digital libraries work and what are the benefits of digital libraries are for higher education. Approximately 25 students visited the library, and they were very happy to see the digital library and we demonstrated how the smart class room supportive for the teaching and learning process, the students were overjoyed to see the smart class room and digital library. As a token of affection, books and stationery materials were distributed to students.

To,  
The Principal  
IADC-A  
Bangalore- 560043.

Respected Madam,

Sub: Requesting to Grant Permission to Conduct the Training Program for the Library Ambassadors.

With Reference to the above subject, we are planning training for the Library Ambassadors on 27<sup>th</sup> May Saturday 2023, between 12.00pm to 1.00pm. The purpose of the training program is to raise knowledge of the library's facilities, resources, collections, and research tools available both on and off campus.

Kindly do the needful.

Thanking you

## **Report on: Training the Library Ambassadors on Library Usage and the Library Facilities available at IADC-A.**

Date: 27<sup>th</sup> May 2023.

Place: Library and Information Centre, IADC-A

Time: 12.00 pm to 1.00 pm

Library Ambassadors are individuals appointed to represent the library within the community, promoting its services, resources, and events. This report outlines the activities undertaken by Library Ambassadors with the aims and outcomes achieved.

### **Aims of the activity:**

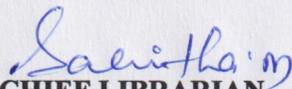

1. **Increase Awareness:** To raise awareness about library services and resources within the community.
2. **Engagement:** To engage community members and encourage their active participation in library programs and events.
3. **Feedback Collection:** To gather feedback from patrons regarding their needs and preferences to improve library services.
4. **Promotion:** To promote specific programs and events offered by the library.

## Outcomes of the Event:

1. **Increased Attendance:** The efforts of Library Ambassadors contributed to a notable increase in attendance at library events, workshops, and programs.
2. **Enhanced Community Engagement:** The community engagement metrics, including event attendance, and feedback participation, demonstrated an enhanced level of community engagement with the library.
3. **Positive Feedback:** Feedback collected from patrons indicated high levels of satisfaction with library services and highlighted areas for improvement, aiding in strategic planning and resource allocation.
4. **Improved Visibility:** The visibility of the library within the community significantly improved as a result of targeted outreach efforts and promotional activities led by Library Ambassadors.

## Conclusion:

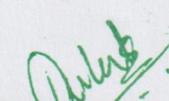

The activities of Library Ambassadors have successfully achieved the outlined aims of increasing awareness, engagement, feedback collection, promotion, and partnerships. Their dedication and efforts have strengthened the bond between the library and the community, fostering a culture of lifelong learning, collaboration, and inclusivity. Moving forward continued support for the Library Ambassador program will be essential to sustain and build upon these achievements.

### **Report on - Training Session on Library Facilities and Usage of Library Resources for the Faculty Members of IADC-A**

Date: April 5<sup>th</sup> and 6<sup>th</sup> - 2022

Place: Library and Information Centre-IADC-A

Timing: 2.00pm to 3.00pm

The session aimed to enhance our library services, improve user experience, and ensure effective management of library resources.

Below is an overview of the key Aims and Outcomes of the session:

#### **Aims of the Training Session:**

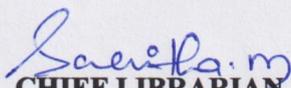

- 1. Enhance Library Services:** The primary goal of the training was to enhance the quality of library services offered to patrons by equipping staff members with the knowledge and skills necessary to meet the diverse information needs of library users effectively.
- 2. Improve User Experience:** We aimed to improve the overall user experience for library patrons by focusing on providing exceptional user service, promoting information literacy skills, and ensuring easy access to library resources through the implementation of new technologies.
- 3. Ensure Effective Management of Library Resources:** Another key aim of the training was to ensure the effective management of library resources, including collection development, cataloging, and shelving practices, to maintain an organized and accessible library collection.

## Outcomes of the Training Session:

1. **Introduction to Library Catalog System (OPAC):** Staff members gained proficiency in navigating the library catalog system (OPAC), which will facilitate easier access to library resources for patrons and improve overall search efficiency.
2. **Enhanced User Service Skills:** Training on user service excellence resulted in staff members feeling more confident and equipped to address patron inquiries and provide assistance in a courteous and efficient manner, thereby enhancing the overall patron experience.
3. **Promotion of Information Literacy:** Staff members are now better equipped to promote information literacy skills among library users through research assistance, library orientations, and guidance on evaluating information sources critically.
4. **Improved Collection Development Practices:** Reviewing collection development policies and procedures has enabled staff members to better understand the importance of maintaining a relevant and up-to-date library collection, ensuring that resources meet the needs of library users.
5. **Integration of Technology:** Staff members gained insights into the integration of technology tools and resources into library services, which will enhance access to information and streamline administrative tasks, ultimately improving library efficiency.

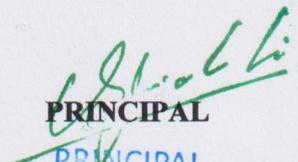

## Conclusion:

In conclusion, the training session was successful in achieving its aims of enhancing library services, improving user experience, and ensuring effective management of library resources.

### **Report on the Conducted workshop on Online Resources and Services for PG Students- 2023**

This is a report on the workshop conducted by the Department of Library and Information Centre. The workshop was conducted from 24<sup>th</sup> Feb to March 10<sup>th</sup> 2023 for PG First year Students.

The library and information centre recently conducted a workshop on online resources and facilities available for library users. The workshop was aimed at informing users about the latest digital technologies and tools available for accessing information and research. It was also intended to teach users how to navigate the library's online resources effectively and improve their research skills. The workshop was attended by a PG first years of students. The workshop was conducted by librarians who have extensive knowledge in digital resources and online facilities. They demonstrated various tools and resources available online and how to use them to access relevant information.

The workshop covered a variety of topics, including research databases, online journals, e-books, and digital archives. This was supplemented with practical examples that demonstrated how these resources can be used to conduct research more effectively. Participants were also given tips on how to evaluate online resources and the importance of avoiding unreliable sources.

The workshop also demonstrated the library's user-friendly online search platform that enables users to search for resources and services from anywhere at any time. Participants were taught how to use this platform to conduct effective research and how to access additional information services provided by the library.

In summary, the workshop was a resounding success, and participants left with a deeper understanding of digital resources and facilities available in the library. They were equipped with new research skills and encouraged to make the most of the new technologies to enhance their research and improve their overall learning experience.

The library and information centre plans to organize more workshops and training programs to ensure users stay up-to-date with the latest resources and facilities available. Each participant received an electronic certificate.

### **Learning Objectives:**

1. Students will be able to identify the key elements of a strong brand.
2. Students will learn how to conduct market research to inform brand development.
3. Students will learn how to create a brand messaging strategy that resonates with target audiences.
4. Students will learn how to build brand equity and loyalty over time.
5. Students will learn how to measure the effectiveness of their branding efforts.

### **Learning Outcome:**

1. Students will be able to analyze successful brands and apply those insights to create their own effective branding strategies.
2. Students will be able to design and execute research studies to gather insights about consumer behavior and preferences.
3. Students will be able to develop compelling brand messages and communicate them through various marketing channels.
4. Students will be able to implement tactics that strengthen brand recognition and customer loyalty, such as consistent visual branding, quality products/services, and strong customer service.
5. Students will be able to use metrics and analytics to evaluate the success of their branding strategies and make data-driven decisions to improve future campaigns.

**Name of Trainer: Shahid Afrid**

Educational Qualifications: (BCA, IEC, University)

Professional Experience: Facilitator/Trainer for Web Development and Digital Marketing at Dream A Dream (4 years Exp)

Certification: Digital Marketing Specialist from Simplilearn and Pardue University.

Specialization or Expertise: Social Media Marketing

Achievements or Awards: NASA Galetic Problem Solver, Solve Ninja from Reap Benefit

Book Published(NGO Wrote book): When We Thrive, Our Word Thrives

Contact Information: [support@haadi.org.in](mailto:support@haadi.org.in)

**Name of Trainer: Mrs. Himani Nikhil Batheja**

Educational Qualifications (Degree, Institution)\*:

A). UGF APPROVED DEGREE: BSC.HM&CT from ANSAL University, Gurgaon (graduation) and M.B.A (Human resource) from Annamalai University DDE (Master)

B). Online specialisation: Lean Six Sigma Expert online master, PMP Plus online master, Digital Project Manager online master, Design Thinking Leader online master, ITIL Managing Professional online master and Digital Marketing Specialist online master from Simplilearn PVT LTD

Professional Experience As Trainer: \*over all work experience is 4 year and 5 months and as a lecturer worked for about 1 year and 1 months in ASK institutions of hospitality and culinary arts and OTHM UK

Certification or Training (if any): \*explained above

Specialization or Expertise (\*in the topic of the session or related areas) - explained above

Previous Training or Teaching Experience (if an\*y) explained above

### REPORT

#### DEPARTMENT OF BUSINESS ADMINISTRATION

#### WORKSHOP ON BRAND BUILDING BOOTCAMP

**Date:** 29<sup>th</sup> April, 2023

**Venue:** SH-II

**Audience:** IV semester Students

**Resource Person:** Shahid Afrid and Himani

#### **Introduction:**

Brand building is the process of creating and establishing a brand image for a company, product or service. It involves developing a unique brand identity, creating brand awareness, and building a positive reputation for the brand. A strong brand can differentiate a company from its competitors, build customer loyalty, and increase market share. In this report, we will discuss the importance of brand building and the strategies that companies can use to build and strengthen their brands.

#### **Importance of Brand Building:**

**Brand building is important for several reasons:**

1. **Differentiation:** A strong brand can differentiate a company from its competitors. By creating a unique brand identity, companies can stand out in a crowded market and attract customers who are looking for something different.
2. **Customer Loyalty:** A strong brand can build customer loyalty. When customers have a positive experience with a brand, they are more likely to become repeat customers and recommend the brand to others.
3. **Increased Market Share:** A strong brand can increase market share. By building a positive reputation for the brand, companies can attract new customers and retain existing ones, which can lead to increased sales and market share.

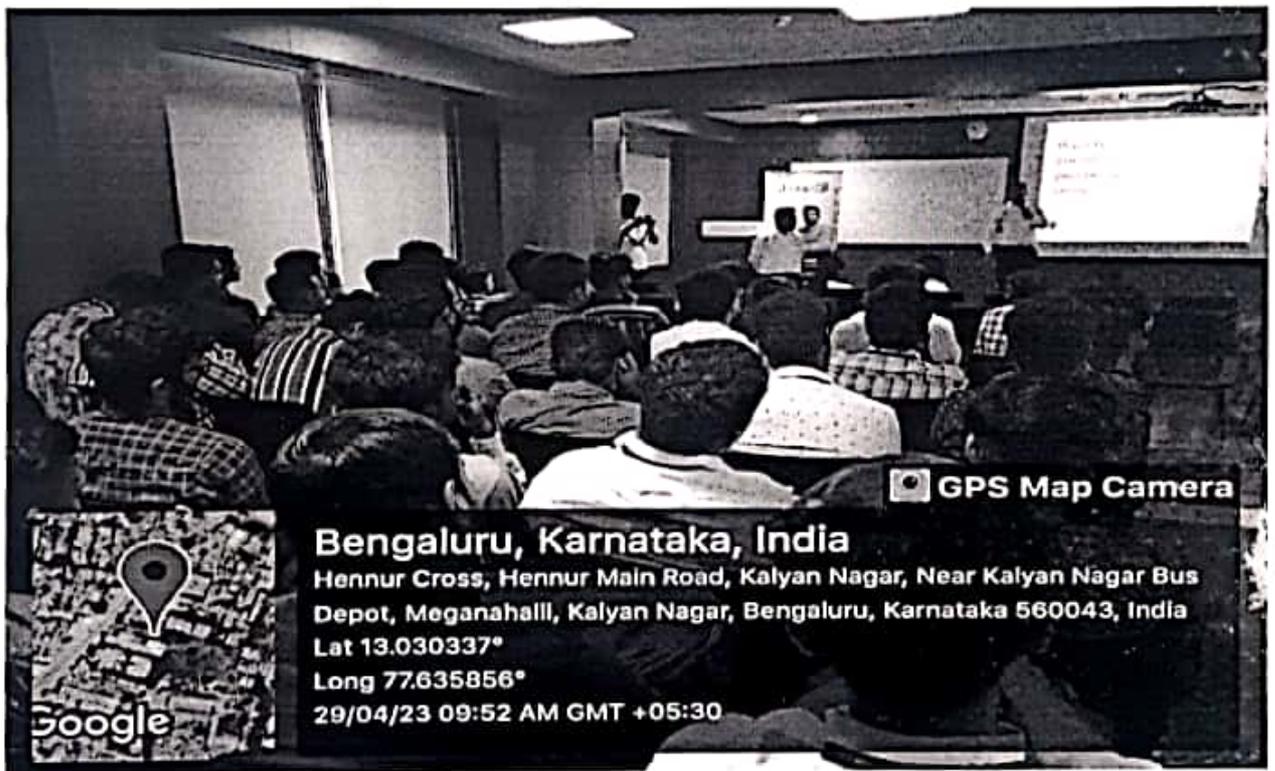

#### **Strategies for Brand Building:**

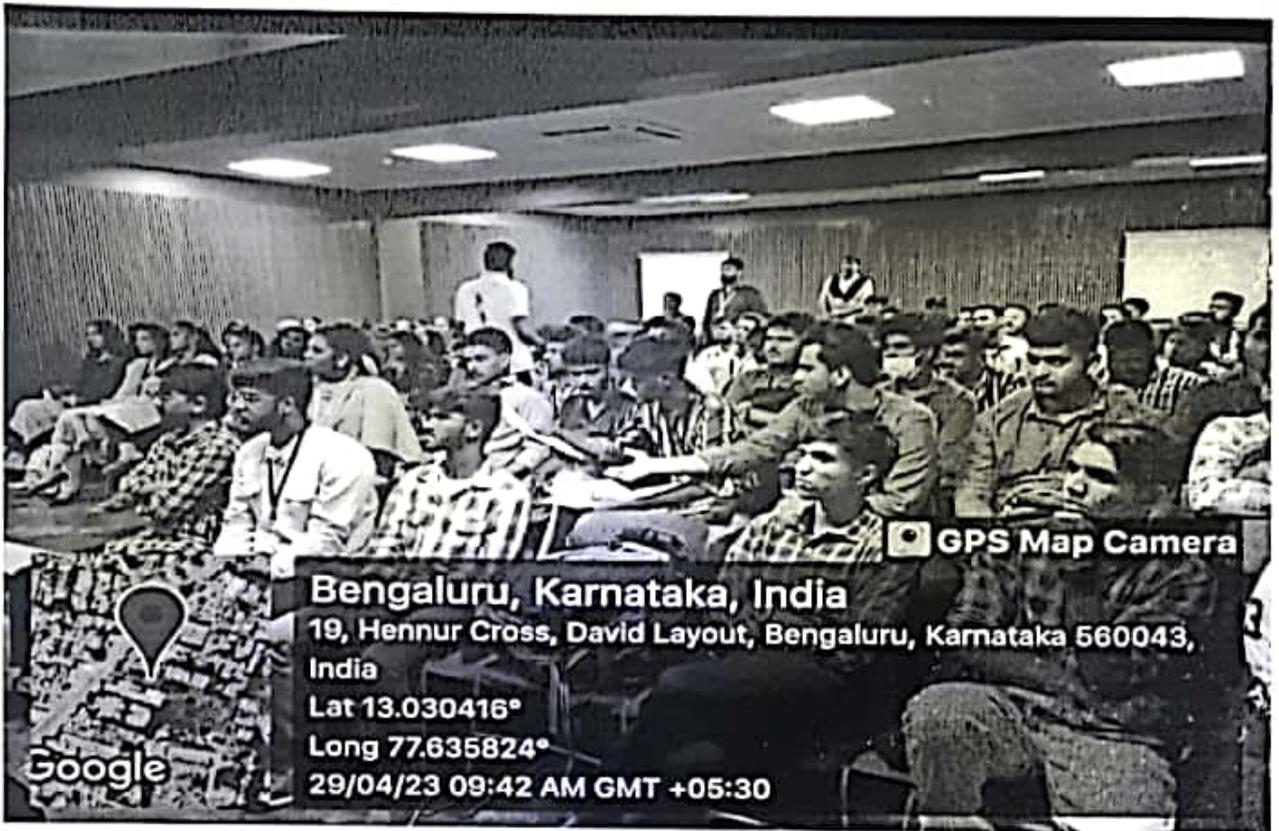

1. **Develop a Unique Brand Identity:** To build a strong brand, companies need to develop a unique brand identity. This includes creating a brand name, logo, and tagline that reflects the company's values and mission. A strong brand identity can help customers remember the brand and differentiate it from its competitors.

2. **Build Brand Awareness:** To build a strong brand, companies need to create brand awareness. This can be done through advertising, public relations, social media, and other marketing channels. By increasing brand awareness, companies can attract new customers and build a positive reputation for the brand.
3. **Deliver Consistent Brand Messaging:** To build a strong brand, companies need to deliver consistent brand messaging across all marketing channels. This includes using the same brand name, logo, and tagline in all marketing materials, as well as delivering a consistent brand message that reflects the company's values and mission.
4. **Engage with Customers:** To build a strong brand, companies need to engage with customers. This can be done through social media, customer service, and other channels. By engaging with customers, companies can build customer loyalty and increase brand awareness.

**Conclusion:**

Brand building is an important process for companies that want to differentiate themselves from their competitors, build customer loyalty, and increase market share. To build a strong brand, companies need to develop a unique brand identity, build brand awareness, deliver consistent brand messaging, and engage with customers. By following these strategies, companies can build and strengthen their brands and achieve long-term success.

**Date:**16/01/2023

**Speakers:**Dr SheejaKrishnakumar, Dr Ravichandran, Prof. S.Shalini, Prof.Kesavan

**Topic:** Project Orientation Workshop

The Department of BBA organized a workshop on Project Orientation for the final year students basically the students of 5<sup>th</sup> semester as in the coming semester they have to do a Project.Hence in order to make them ready for the Projects that this session was conducted. The session started with the welcome address by Professor Mary Magdalene.The first speaker was **Dr Sheeja Krishna Kumar**,Professorfrom Kristu Jayanti College who gave the overview of Research and the Methodologies to be followed for their upcoming project.The session focused on the different types of research, research design, data collection, data analysis, and interpretation of research findings. The session was interactive and provided an opportunity for students to ask questions and clarify their doubts.Then from 11:15am**Dr Ravichandran**who was the second speaker spoke to the students on how to create research relevant to society.He discussed the key elements of relevant research, including identifying research gaps, developing research questions, selecting appropriate research methods, and aligning research outcomes with the research objectives. The session was insightful and provided students with a clear understanding of the importance of relevance in research.

Then **Prof. Shalini** and**Prof.Keshavan** gave the overview of format for the Project report. She highlighted the different sections of the report, including the introduction, literature review, methodology, findings, conclusion, and recommendations. They briefed the students about industrial reportand the students were benefitted out of the session.She provided a detailed overview of each section and emphasized the importance of following the prescribed format. The session was informative and provided students with the necessary guidelines for preparing their project reports.

The final session of the workshop was conducted by **Prof. Kesavan**, who spoke about the industrial visit and the preparation of the industrial visit report. He discussed the objectives of the industrial visit, the importance of observation, and the key components of the industrial

visit report. He emphasized the need for a clear and concise report that presents the observations, findings, and recommendations. The session provided students with a clear understanding of the industrial visit process and the necessary guidelines for preparing the report. The session closed at 1:30

Respected Madam

**Subject: Permission to Conduct Workshop**

In lieu with the above mentioned subject, **The Department of Psychology** has planned to organize a workshop on **"SMARTER BRAIN, SMARTER LIFE"** for all the BA students. This workshop will be conducted on 12/06/2023 in Seminar Hall-II from 11.15 A.M to 1.15 P.M. It will be a cohort-learning experience for the students which will help them to be vigil during their academic progress and prepare them to work well in teams and in personal life.

Hence, we kindly request you to grant attendance and permission on the same.

Thank You  
Regards

## DEPARTMENT OF PSYCHOLOGY

### WORKSHOP

**Title of the Event:** Workshop on "SMARTER BRAIN, SMARTER LIFE"

**Place:** Seminar Hall-II

**Date:** 12/06/2023

**Time:** 11.15 A.M to 1.15 P.M

**Name of the Resource Person:** Ms.Sahana Vijay

Memory & Creative Coach

Founder & Trainer

Svaayog Mantra Bengaluru

**Broad Aim of the Event:** Students are taught how to remember things which are essential and learn how to retain in mind for a long term through certain specific techniques.

#### **Objectives:**

To help students build up their confidence.

To help students to train their mind to make the impossible, possible.

To understand the power of brain

#### **Outcomes:**

The students can face their tomorrow courageously.

The student's perspective of looking things will be different

The students able to understand the functioning of brain and memory

#### **Brief details about the event:**

Teaching students various easy to understand memory techniques in a play way method was very interesting in which the speaker taught the students to create images which are remembered most successfully by human brain. Apart from Memory also she exposed students to meditation and good thoughts, good food and good behaviour.

Although we tend to think of memory as the ability to hold on to the past, the actual benefits of memory come from its power to allow us to make sense of the present moment and to

creatively, flexibly plan for the future increasing working Memory capacity through training can improve your cognitive abilities, helping you get better at focusing, learning and getting things done was briefed to the students.

We can recall and recognize if we have a good memory. Whenever we learn something, there is a need to retain it. It is to be retained in our mind. If we are able to recall the learnt material, it is a sign of good memory. On the other hand, if we are unable to recall the learnt information, it is a sign of bad memory.

Memory tests assess the ability of memory in the short and medium term. They are used to detect possible memory loss and its associated disease. Identifying the memory capacity is essential before carrying out memory exercises that help recovery.

Following are the techniques which was informed to the students:

Imagine with me (IWM) method.

- 1) Imagine it is happening in front of you.
- 2) Imagine as if you are doing it.
- 3) Imagine as it is happening on you.

Rules of link system:

- 1: Maintain the sequence.
- 2: Only 2 objects or words at a time.
- 3: Illogical 1 sentence story

Two steps to be applied while learning any answers/concept.

Step 1: Read with IWM method (any of the 3 situation)

Step 2: Close your eyes and Re- visualize everything.

Overall the session was enjoyed by the students followed by the question and answer session.

### Feedback details

- 1.It was really a wonderful and interactive session.
2. The speaker was very energetic and the memory techniques was very interesting.
- 3.The session was very interesting and helpful for exams
- 4.The Rules of link system was very helpful.
- 5.The memory technique on states was very useful and able to connect to remember much better.

DEPARTMENT OF PSYCHOLOGY

## WORKSHOP

**Title of the Event:** Workshop on Short Movie Screening on Nanu Yaru..?

**Place:** Seminar Hall-II

**Date:** 09/06/2023

**Time:** 11.15 A.M to 1.00 P.M

**Name of the Resource Person:** Dr. Vinay Kumar V Nayak  
(Counselling Psychologist/Film maker)

**Broad Aim of the Event:** "Nanu Yaru" is a powerful and thought-provoking movie that aims to challenge the myths and misunderstandings about schizophrenia. It explores the complexities of family relationships and societal pressures.

### Objectives:

- 1.To understand the behaviours of people suffering from mental illness
- 2.To understand the myths and misconceptions about abnormal behaviour

### Learning Outcomes:

- 1.To raise awareness on mental health and reduce stigma associated with mental illness, promote help seeking behaviours and emotional well-being practices.
- 2.Students will be able to differentiate between normal and abnormal behaviour

### Brief details about the event:

The Department of Psychology in association with The Department of English screened a short movie on Nanu Yaru..? during the Movie club hour for all the BA students and we have also opened the platform for students of other streams . Movie "NANU YARU"- who am I? brings out the aspects of an individual who is suffering with schizophrenia and is away from the reality of the actual world.

"Nanu Yaru" is a thought-provoking film that examines into the depths of schizophrenia and the disconnection from reality that individuals with this mental disorder often experience.

Directed by an up-and-coming filmmaker, the movie shines a spotlight on the challenges faced by those living with schizophrenia and offers a glimpse into their complex internal world. The central character, whose identity is subtly hinted at in the film's title, serves as the embodiment

of this profound exploration. Through a captivating narrative, the audience is invited to witness the character's struggle as they grapple with distorted perceptions, hallucinations, and fragmented thoughts. The film cleverly weaves together a series of events, reflecting the fragmented nature of the protagonist's reality.

"Nanu Yaru" skilfully portrays the impact of schizophrenia on the individual's relationships, and overall well-being. It sensitively highlights the difficulties faced by their loved ones who are forced to navigate the challenging terrain of understanding and supporting someone with a severe mental illness.

The film's visual aesthetics and sound design effectively immerse the audience in the protagonist's chaotic world, mirroring the disorientation and confusion that accompanies schizophrenia. The exceptional performance by the lead actor further enhances the authenticity of the portrayal, eliciting empathy, and compassion from the viewers.

Through its powerful storytelling, "Nanu Yaru" serves as a poignant reminder of the importance of mental health awareness and the need for compassion towards individuals facing such profound challenges. It prompts viewers to reflect on the limitations of their own perceptions and question the boundaries between reality and illusion.

The film raises awareness about mental health issues, particularly the neglect and stigma associated with schizophrenia, while highlighting the importance of early intervention, empathy, and support.

While the movie succeeds in shedding light on the challenges faced by individuals living with schizophrenia, there are areas that could benefit from improvement. The portrayal of symptoms could be more nuanced, avoiding sensationalism and focusing on authenticity and emotional realism.

Additionally, a more diverse range of perspectives and a deeper exploration of treatment options and societal factors would contribute to a more comprehensive understanding of the subject matter.

"Nanu Yaru" is an important contribution to the conversation surrounding mental health. It prompts viewers to reflect on their own perceptions and attitudes, fostering empathy and understanding. By addressing the shortcomings and incorporating the suggested enhancements, the film has the potential to further elevate its impact and serve as a catalyst for positive change in how mental health is portrayed and discussed in society.

Overall, "Nanu Yaru" serves as a thought-provoking film that highlights the significance of mental health awareness, empathy, and support for individuals living with schizophrenia. It encourages dialogue, challenges stereotypes, and reminds us of the importance of fostering a compassionate and inclusive society that values the well-being of all its members.

The session was concluded with the interaction with the film director and the actor. Students of Psychology also took bytes about the making of the movie followed by the group photo.

**A Report on Workshop "Enrich, Empower, Energise"**

Date : 5<sup>th</sup> December, 2022

Time: 10:30 PM -12:30 PM

Venue : Seminar Hall II (IADCA)

Target audience: III Sem UG Girl students.

**Broad Aim of the Event:** To provide career guidance, ways to be happy, focus on self development and societal progress, to improve performance and progress in academics.

### **Objectives:**

1. To Build the confidence and Motivation in one self.
2. To empower other Women's in the society and self.
3. To bring positive vibes and thoughts in the minds of Students.

### **Outcomes:**

1. Lively Interaction between Speaker and Students.
2. Discussion was focused on Women's strengths.
3. Career planning significance was highlighted.

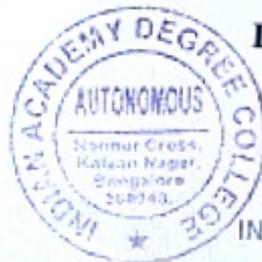

### **Report:**

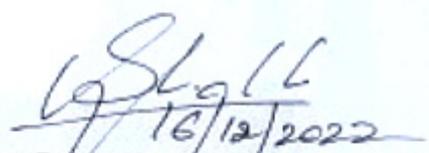

Women's Council in association with Department of Psychology Organized a Workshop for Third semester UG girl students on the topic "Enrich, Empower, Energise" on 05.12.2022 by Mrs. Swarnalatha Iyer, MD & CEO, Seshan's Academy, Bengaluru. She started her talk by giving an introduction about her. She said Organizations seem to expect people know how to behave on the job and the importance of skills required such as taking initiative, communicating effectively and listening, which often is not the case. She started to create interest and highlighted further the importance of Career planning in present day world. She said most interactions with other people require some level of Preparation and confidence. Mam highlighted how Women's are ill treated in family and society and being a Woman what their Strengths to overcome this are. She gave lots of examples for Women Entrepreneurs and she further discussed their success stories. She made sure that a student asks questions and session to be lively. On the other hand, she added self confidence is very important to one self to be respected and she motivated the entire students. She shared various ways and tips to face the challenges that may be faced for being She said by developing strong leadership qualities, patience, teamwork,

being proud, confidence, education, building Abilities, creative thinking, having positive influence is highly important for improving and enrich oneself and society. On focusing about Gender quality she stated. It is not our job to compete with men, in fact Women's have more abilities than a man. She further told, you have to show a recruiter you meet all the requirements of the role with a well-organized application. She concluded the programme with a broad smile and said "It took me quite a long time to develop a voice, and now that I have it, I am not going to be silent." The feedback was collected at the end of session from the beneficiaries and resource person For catering further need improvement.

## Circular

19-07-22

Department of Genetics is organizing an event "Gene Quest" to commemorate the Birth Anniversary of Gregor Johann Mendel for all the students of the Department of Life Sciences on 20<sup>th</sup> July 2022 at 2.00pm to 4.00pm. All the students are informed and encouraged to participate.

Topic	Date and Time	Venue
"Gene Quest"	20-07-22 & 2.00pm to 4.00pm	Genetics Lab

### Learning Objectives:

1. To instil interest among students in Genetics.
2. To introduce basic concepts and advancements in Genetics through games and activities.
3. To spread awareness of the real-life applications of Genetics in various fields.

### Outcomes:

The students are expected to have a deeper knowledge in the following concepts by the end of the session:

1. Mendel and his contribution to the field of Genetics.
2. Basic concepts in Genetics research.
3. Advancements and new techniques and technology in the field of Genetics.

### DEPARTMENT OF COMPUTER SCIENCE

#### Club Report

---

**Event Name:** Presentation on Artificial Intelligence

**Presented By:** Indrajit Sarkar & Akshay Sreedhar (3rd Year BCA)

**Audience:** Students of 1<sup>st</sup> sem BCA

**Date:** 30/11/2022

**Time:** 3:00 - 4:00 pm

---

**Aim:** The main goal of Presentation on Artificial Intelligence is to impart knowledge on what is AI, History of AI, features of AI and application areas of Artificial Intelligence.

**Content:** Artificial Intelligence is not a new word and not a new technology for researchers. This technology is much older than you would imagine. Even there are the myths of Mechanical men in Ancient Greek and Egyptian Myths. Artificial intelligence is the ability of machines to perform certain tasks, which need the intelligence showcased by humans and animals. Artificial intelligence allows machines to understand and achieve specific goals. 1956 - John McCarthy coined the term 'artificial intelligence' and had the first AI conference. Features of AI technology are Deep learning, Facial recognition, Artificial Neural Networks, natural language processing, Intelligent robotics. There are many areas where AI is used such as Personalised shopping, AI powered assistants, Fraud Prevention, Autonomous vehicles are few of them.

**Learning Outcome:**

- Learn about Artificial Intelligence and its features.
- Explore the application areas of Artificial Intelligence

#### Club Report

---

**Event Name:** Presentation on Animation

**Presented By:** Adheep, Madhan, Balaji, Gautham and Jashwanth

**Audience:** Students Of 1<sup>st</sup> Sem BCA

**Date:** 21/12/2022

**Time:** 3:00 - 4:00 pm

---

**Aim:** The main goal of this presentation was to get the students out from their comfort zone and get out their presenting talents showcased.

**Content:** The word Animation is creating a huge demand from youth's these days and this was an interesting topic for our students. The history of animation, what is animation, different types of Animation and facts on Animations were explored by the students. The presentation was more interesting when they started giving the examples on animation like; Pinocchio, The lion king, The Jungle book, Doremon and Sinchan. One of the fact was about Jurassic Park where they use 3D animations there as an updated version. Even production companies of Hollywood like Warner bros .Pictures, 20<sup>th</sup> Century Fox, dream nest productions produce animated movies like Brave, Frozen, Avatar etc. This was an interesting club and also an informative club presentation

**Learning Outcome:**

- Knowing about the animation and its features
- Exploring to world of animation and learn about the different areas of animations

**Photo of Presentation:**

### DEPARTMENT OF COMPUTER SCIENCE

#### Report

---

**Event Name:** Presentation on Cyber security and its awareness

**Presented By:** S.Shakthi vel

**Audience:** IV & VI BCA Students

**Date:** 21-03-2023

**Time:** 3:00 - 4:00 pm

---

**Aim:** The objective of the presentation is to give an awareness on cyber security and its challenges.

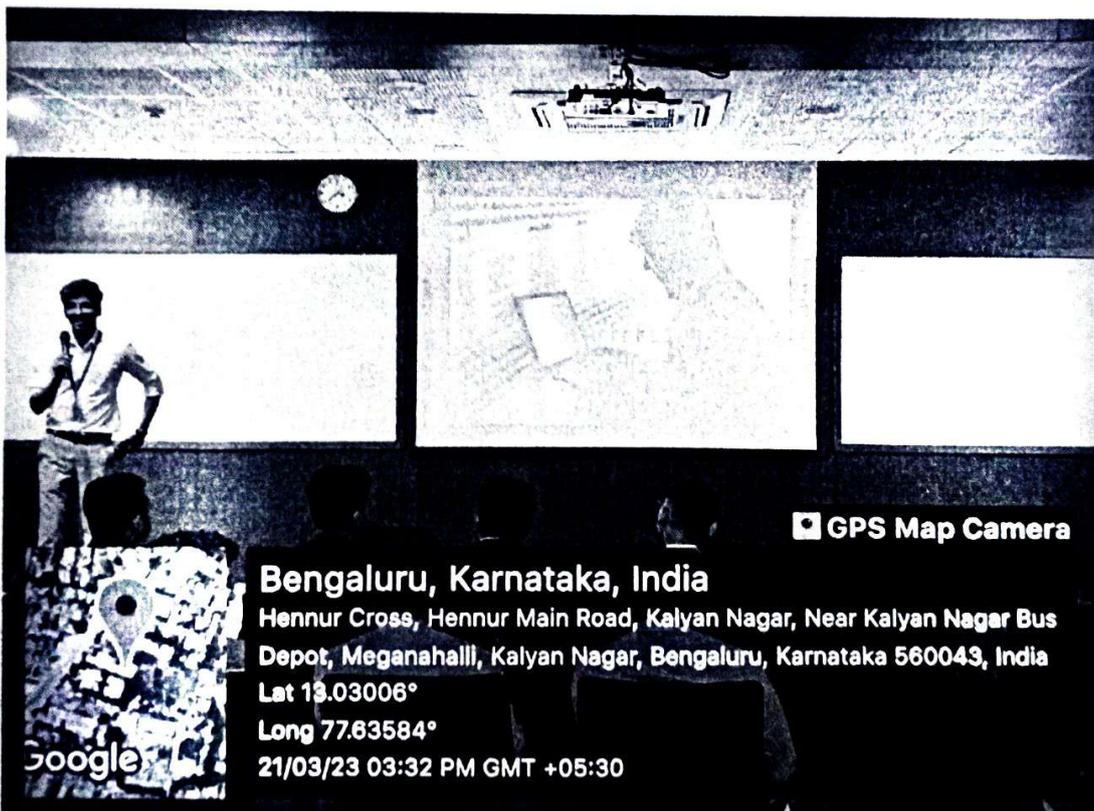

**Content:**

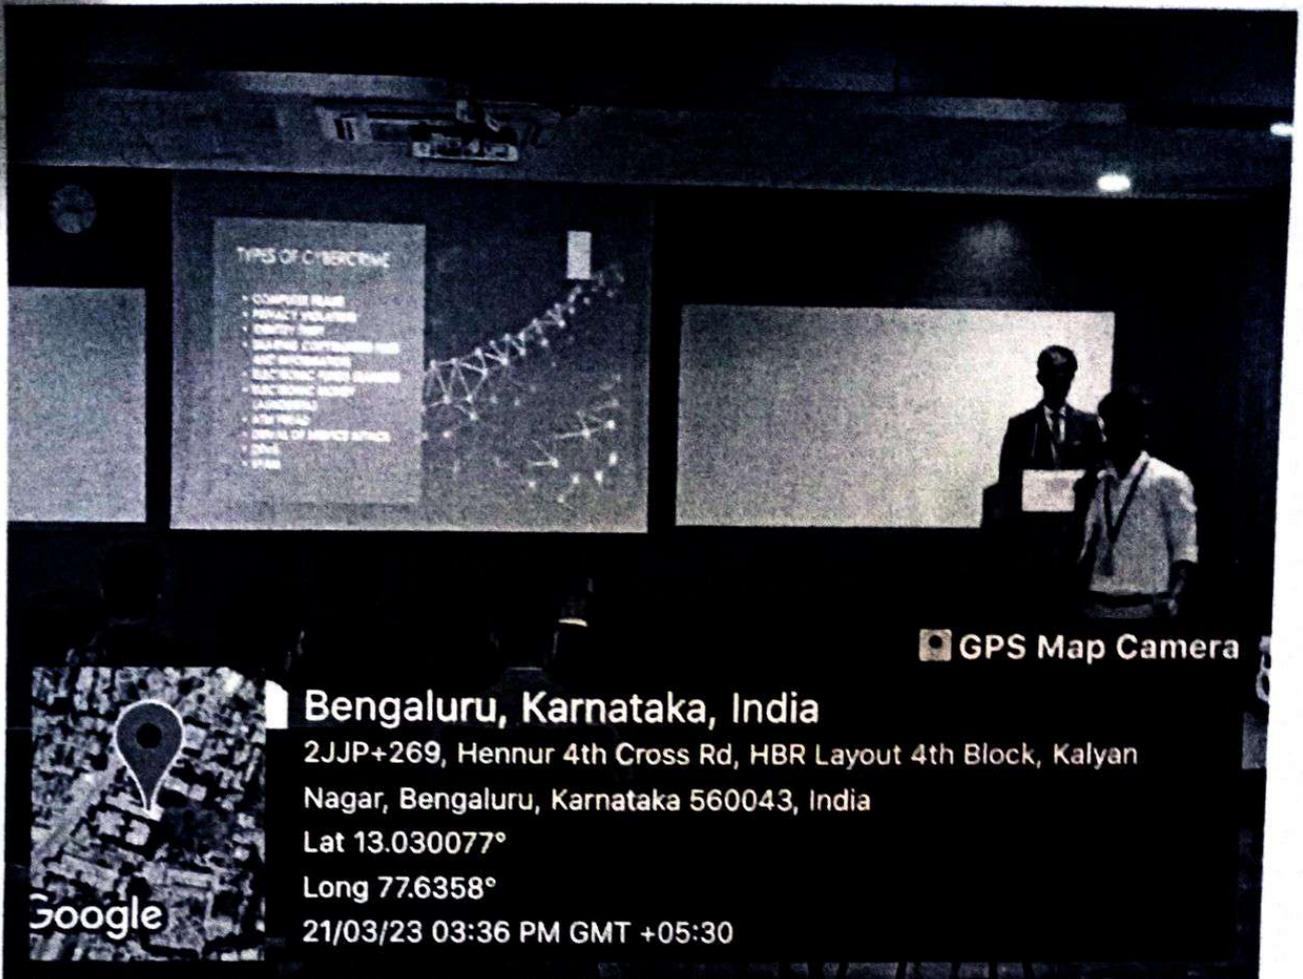

Cybersecurity is the protection of Internet-connected systems, including hardware, software, and data from cyber attackers. It is primarily about people, processes, and technologies working together to encompass the full range of threat reduction, vulnerability reduction, deterrence, international engagement, and recovery policies and activities, including computer network operations, information assurance, law enforcement, etc. Cyber-attack is now an international concern. It has given many concerns that could endanger the global economy. As the volume of cyber-attacks grows, companies and organizations, especially those that deal with information related to national security, health, or financial records, need to take steps to protect their sensitive business and personal information.

**Learning outcome:**

- Leaned about importance of cyber security
- Knowledge about different types of hackers and different types of cybercrimes.

### DEPARTMENT OF COMPUTER SCIENCE

#### Report

---

**Event Name:** Presentation on Robotic Process Automation

**Presented By:** K. Bhavani

**Audience:** Students

**Date:** 28-03-2023

**Time:** 3:00 - 4:00 pm

---

**Aim:** Introduce RPA

**Content:** Over the past year, there has been intensifying interest in robotics and in the application of cognitive and artificial intelligence technologies, both in the media and on the conference circuit. Robotic process automation (RPA) is already delivering value, and early movers in shared services and other administrative organizations are achieving significant benefits, which was highlighted in the presentation.

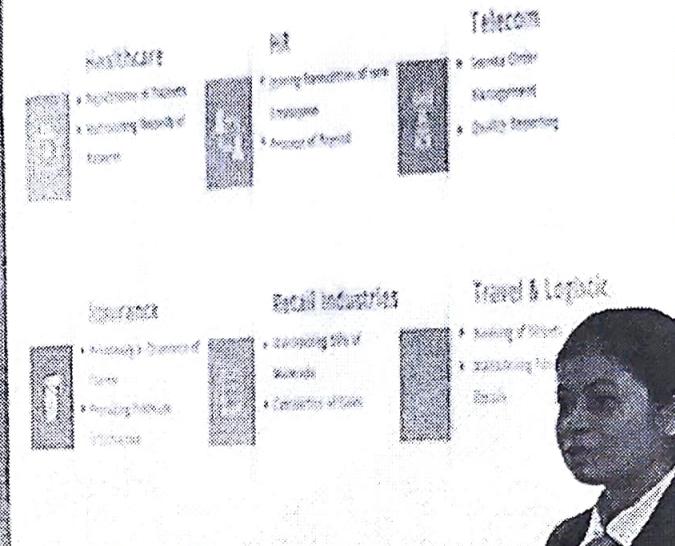

**Learning outcome:**

- Introduction to RPA
- Types of RPA
- Functions and Applications
- It's Impact on human beings

# APPLICATIONS

1. SUPPLY CHAIN MANAGEMENT
2. PAYROLL
3. LEARNING AND DEVELOPMENT MANAGEMENT
4. MANUFACTURING AND LOGISTICS PROCESS
5. E-COMMERCE AND MANAGEMENT PROCESS
6. SOCIAL MEDIA MONITORING
7. OFFICIAL CHARACTER RECOGNITION
8. DATA EXTRACTION
9. CUSTOMER CALL SERVICE

## Application of RPA

- Egghunt - The end-to-end automation process is one of Egghunt's specializations that interact with multiple systems in a device.
- JAMS by HoloSystems - This enterprise IT tool centralizes the scheduling process in company across all operators and applications.
- Power Automate by Microsoft with the MS security technology protected tool/automation feature.
- UPath - The open-source RPA tool can automate any desktop or web apps.
- Blue Prism does not require advanced programming skills to generate workflows.
- OpenConnect with the secure and vitrified data system that addresses almost all types operational and compliance challenges.
- WorkFusion - A SaaS cloud computing platform that lets the users deploy its many RPA robots as they need to automate software tasks for a group.
- Pega an RPA tool for medium and large businesses to provide cloud-based solutions.
- Nice System with its vital assistant to automate mundane employee tasks.
- Kefee integrates well with the Rapid Rabbit platform.

**Robotic Process Automation Tools**  
A list of RPA tools is provided below for reference:  
- UiPath: One of the top-rated RPA tools, it offers a wide range of RPA solutions for various industries.  
- Blue Prism: A leading RPA tool, it offers a wide range of RPA solutions for various industries.  
- WorkFusion: A SaaS cloud computing platform that lets the users deploy its many RPA robots as they need to automate software tasks for a group.  
- Pega: An RPA tool for medium and large businesses to provide cloud-based solutions.  
- Nice System: With its vital assistant to automate mundane employee tasks.  
- Kefee: Integrates well with the Rapid Rabbit platform.

### DEPARTMENT OF COMPUTER SCIENCE

#### Club Report

---

**Event Name:** Presentation on Neural Link

**Presented By:** "A" Sec Madhan, Deepak, Guru Prasad, Adheep & Balaji

"B" Sec Denzil Demine

**Audience:** Students of 2<sup>nd</sup> Sem BCA

**Date:** 5/4/2023

**Time:** 3:00-4:00

---

**Aim:** To provide a comprehensive introduction to Neuralink, Elon Musk's neurotechnology company, exploring its vision, goals, technological advancements, and potential implications for the future of neuroscience and human-computer interaction.

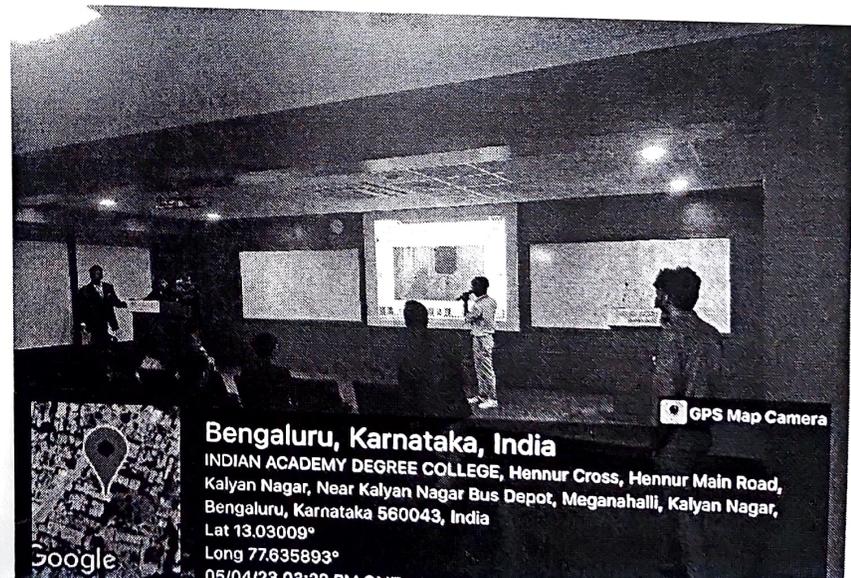

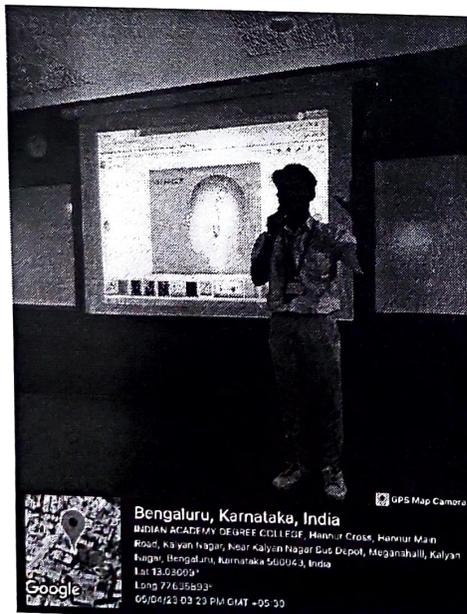

**Content:** Neuralink, founded by Elon Musk in 2016, seeks to revolutionize the field of neuroscience by developing brain-machine interface (BMI) technology. This report delves into the core objectives of Neuralink, including its mission to enhance human cognition and treat neurological disorders through direct brain-computer communication. It explores the innovative technologies behind Neuralink's brain implant device, the challenges it addresses, and the ethical considerations surrounding its implementation. Furthermore, the report discusses potential applications of Neuralink's technology in various fields, from healthcare to artificial intelligence. By providing a comprehensive overview, this report aims to

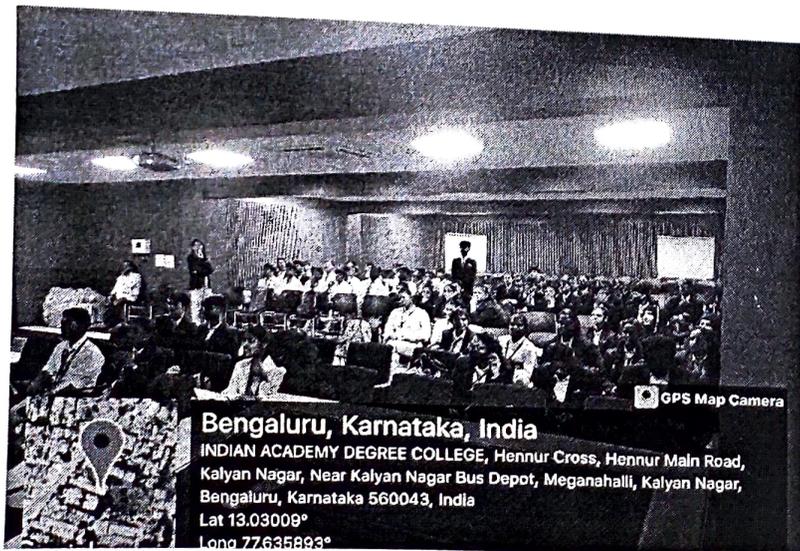

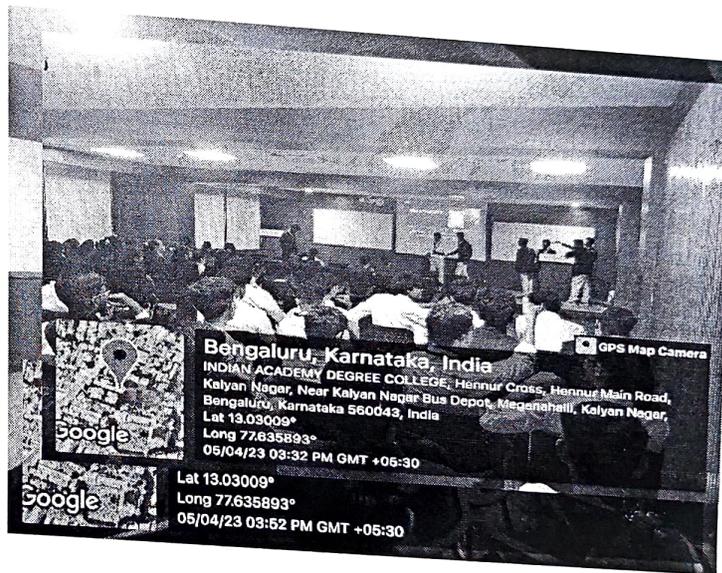

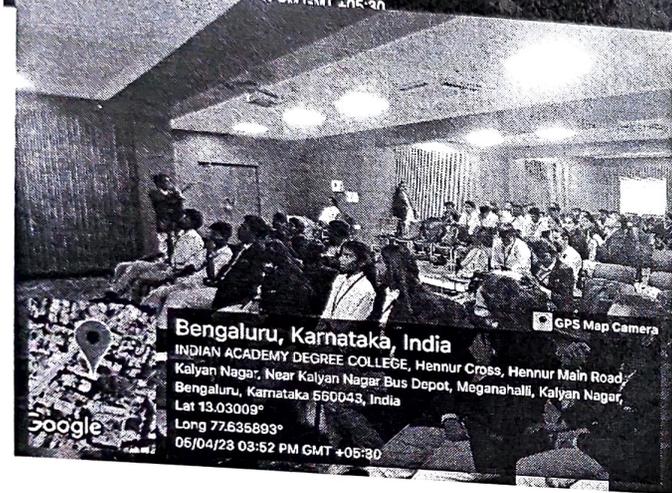

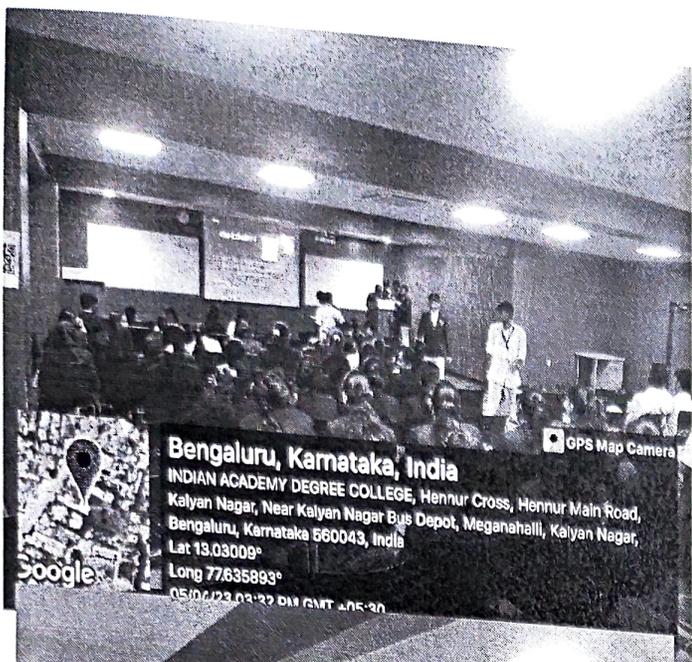

shed light on the transformative potential of Neuralink and its implications for society.

### Learning Outcome:

- Understanding Neuralink's Vision:  
Gain insight into Neuralink's mission to develop advanced brain-machine interface technology to enhance human cognition and treat neurological disorders.
- Exploring Technological Advancements:  
Learn about the innovative technologies and engineering principles behind Neuralink's brain implant device, including neural electrodes and biocompatible materials.

### DEPARTMENT OF COMPUTER SCIENCE

#### Report

---

**Event Name:** Presentation on Building business with AI

**Presented By:** Deepish 4th SEM BCA-A

**Audience:** BCA Students

**Date:** 11-04-2022

**Time:** 3:00 - 4:00 pm

---

**Aim:** The main goal of Presentation is to impart knowledge on how to build business using A.I.

#### **Content:**

To create a business two things are very important: one is the name and another one is the logo, to select a quality name and logo, AI comes with a smart solution with a short amount of time.

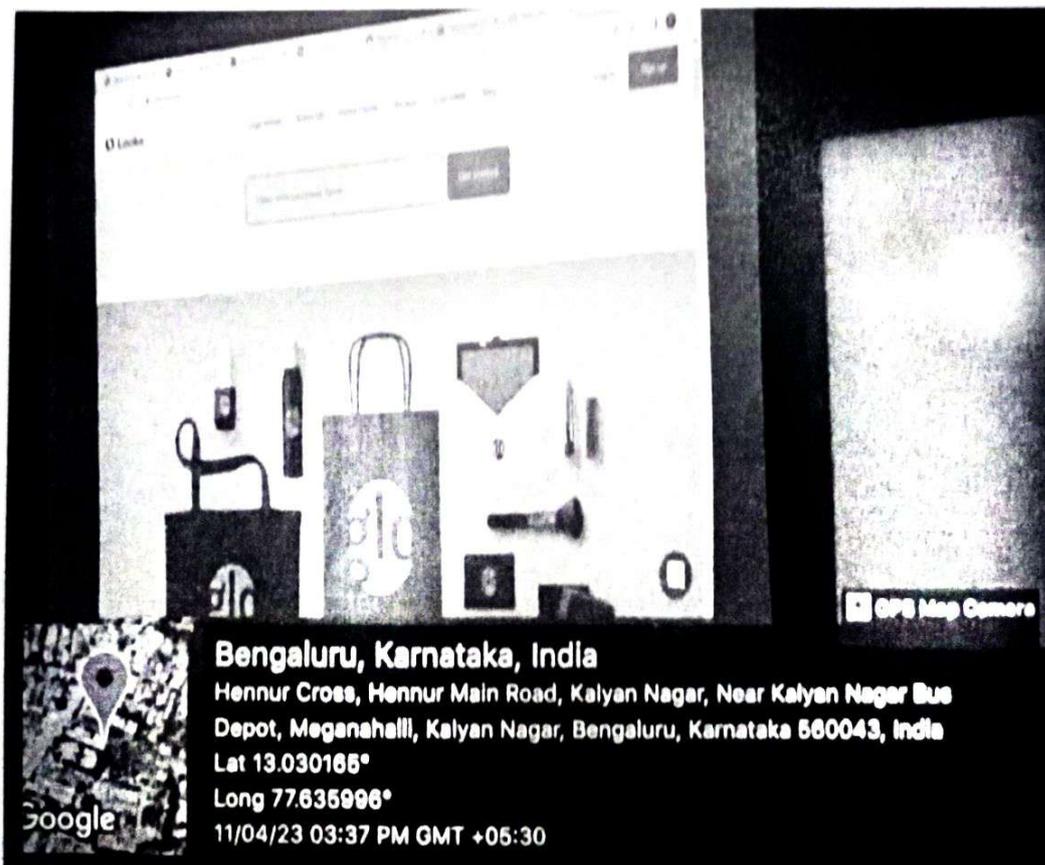

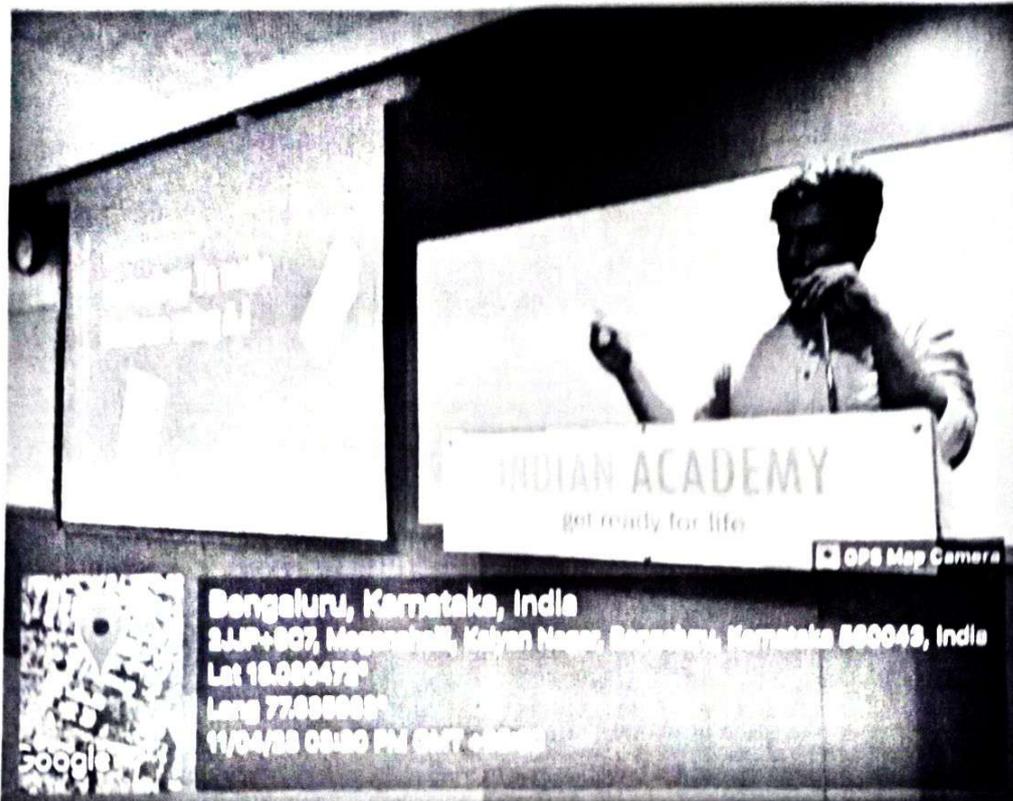

Namelix is a great free tool to generate a business name for your startups. Namelix generates short, branded names that are relevant to your business idea. Namelix generates catchy names with a state of the art language model. The algorithm learns from the names you like, giving you better recommendations over time. In 2023 many startups are choosing a short, branded name - a name that's unique, memorable and affordable.

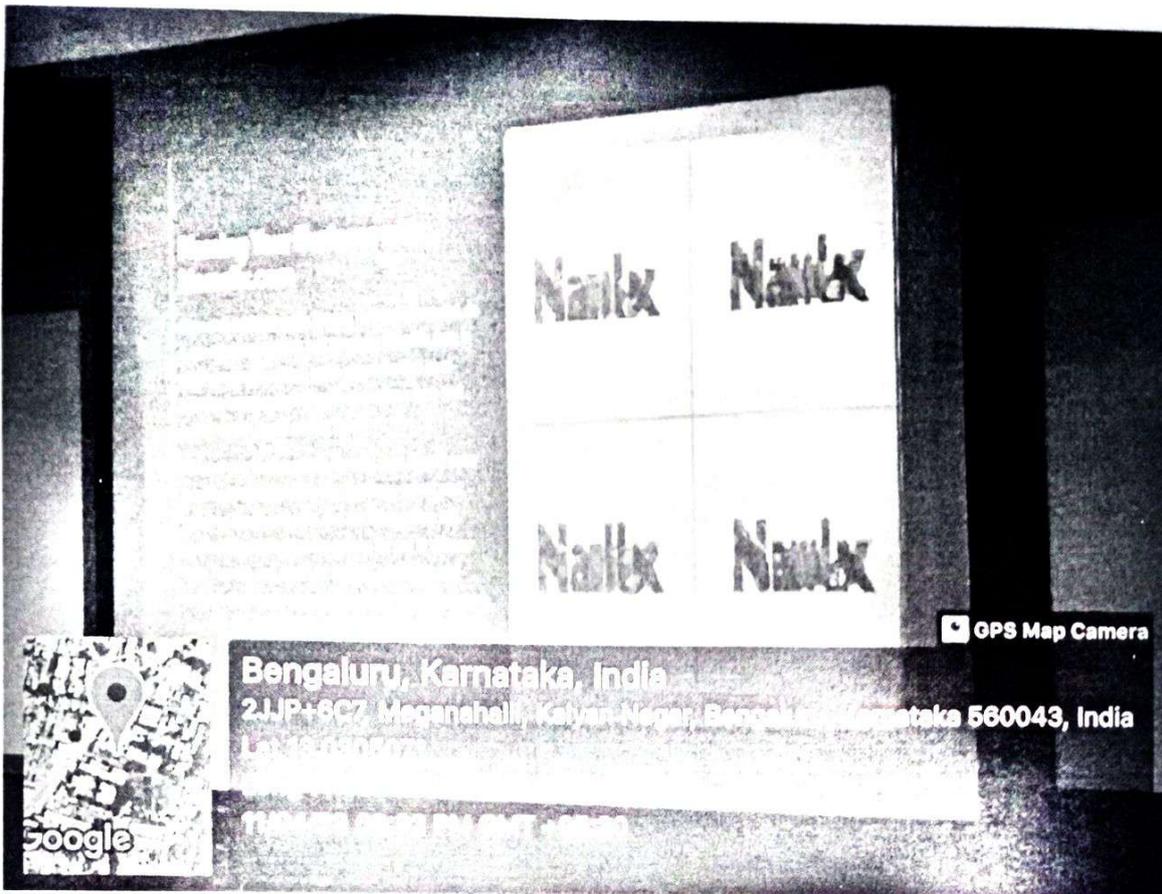

Looka.ai is an AI logo maker which can save you some serious time when it comes to creating your brand or product. It uses AI to stylize your logo based on your selections and industry, with a near unlimited list to choose from. It is simple to use, even for someone who has never done graphic design before.

**Learning outcome:**

- \* Naming your business with Namelix.com
- \* Learn about creating a logo with looka.ai

### DEPARTMENT OF COMPUTER SCIENCE

#### Club Report

**Event Name:** Introduction to Cyber Security

**Presented By:** Adyan, Jeevan, Sambit, Chandhan kumar, Shreyas and Dharshan.P

**Audience:** Students of 2<sup>nd</sup> sem BCA

**Date:** 26/04/2023

**Time:** 3:00 - 4:00 pm

**Aim:** To provide a comprehensive introduction to the field of cybersecurity, offering insights into the fundamental concepts, threats, and defense strategies essential for safeguarding digital assets in an interconnected world.

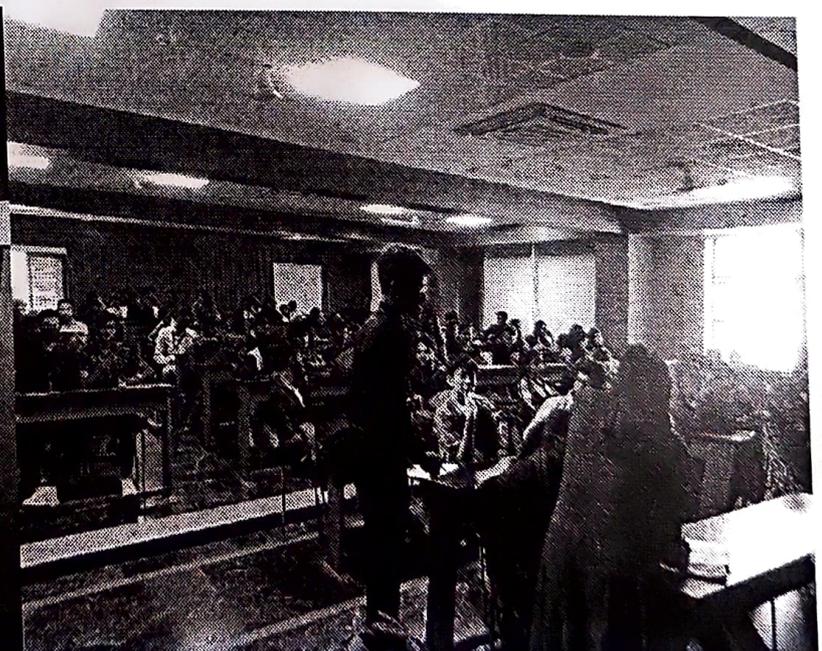

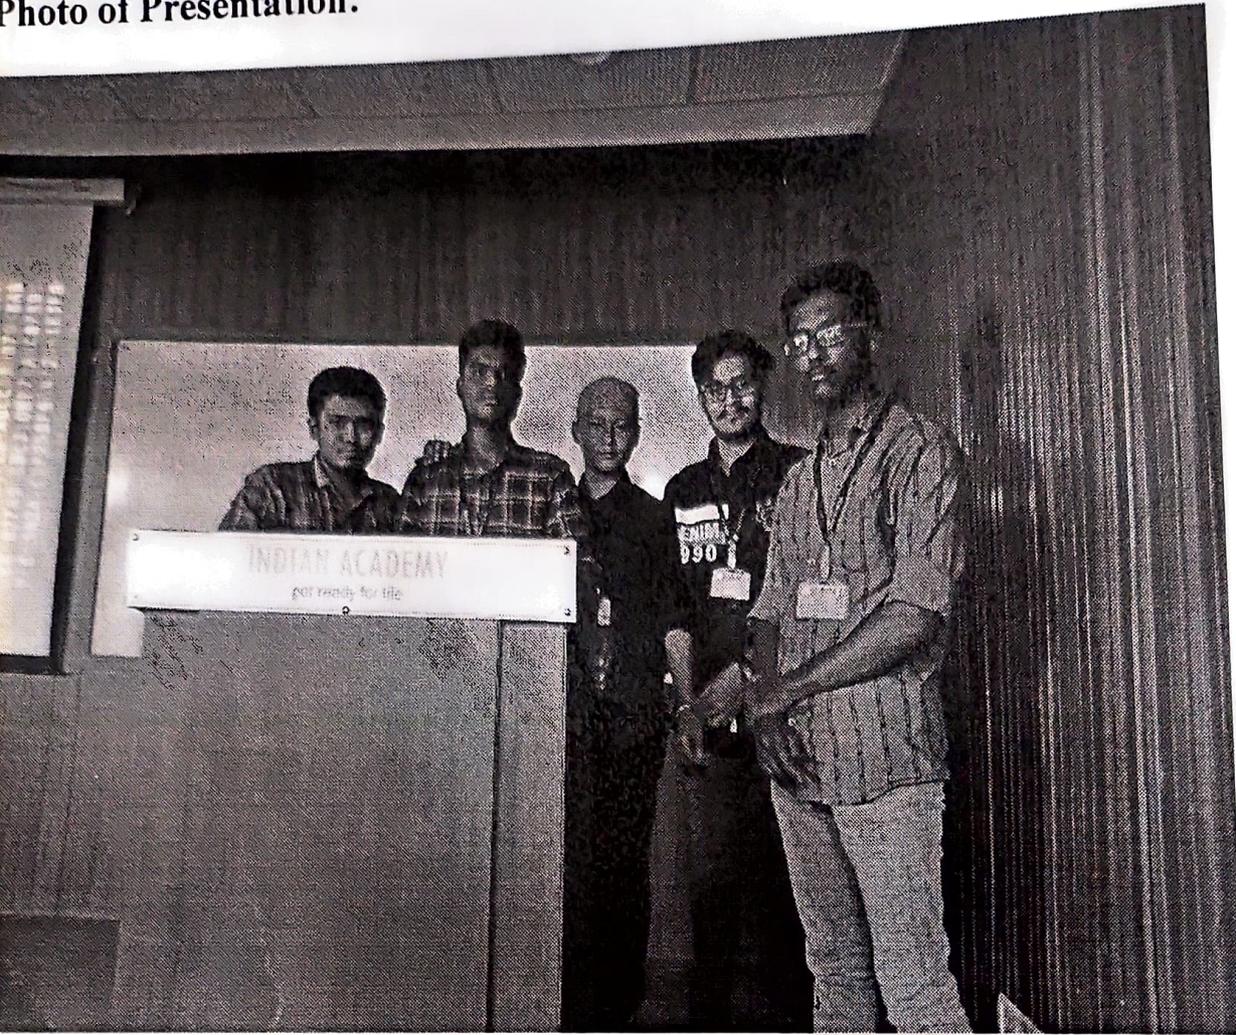

**Content:** As the digital landscape continues to evolve, cybersecurity has become a critical concern for individuals, organizations, and governments worldwide. This introductory report delves into the foundational aspects of cybersecurity, exploring key concepts such as cyber threats, vulnerabilities, and defense mechanisms. By examining real-world examples and case studies, it elucidates the importance of cybersecurity in mitigating risks and protecting against cyber attacks. Through a structured approach, the report aims to equip readers with the knowledge and understanding necessary to navigate the complexities of cybersecurity and build digital resilience.

#### Learning Outcome:

- **Fundamental Understanding:** Gain a foundational understanding of cybersecurity principles, including the importance of confidentiality, integrity, and availability in protecting digital assets.
- **Awareness of Threat Landscape:** Develop awareness of the diverse range of cyber threats, including malware, phishing, ransomware, and social engineering attacks, and understand their potential impact on individuals and organizations.

**Academic Year 2022-23**

**EVENT NAME:PRODUCT LAUNCH**

**Venue: Seminar Hall-I**

**Date:11<sup>th</sup> November 2022**

**Timings: 2:00pm**

## **OBJECTIVES:**

1. To develop marketing and creative skills among students
2. To equip students to meet the practical challenges in the current business scenario.

## **OUTCOMES:**

1. To encourage students to build good innovative skills.
2. To build self confidence and a proactive approach.

## **REPORT ON EVENT**

### **“INGENIOUS INSIGHTS”**

Ingenious Insights was all about launching a product or service into the market. The Event was a group event with maximum 2 members in a team. In total 21 teams participated in this event and all the teams came up with creative ideas and innovative products and brands.

Ingenious Insights Host Ramesh Kumar Sharma from 3<sup>Rd</sup> semester 'D' section, began the event with full energy by introducing the event.

Tabassum Fathima from 5<sup>th</sup> semester 'D' section welcomed everyone with a wonderful warm speech. The Time frame of 5 minutes for presentation was recorded by Narmada from 3<sup>rd</sup> semester. The Seminar Hall was nicely decorated by Pushpa (5<sup>th</sup> semester 'c' section) and Gautham (1<sup>st</sup> semester 'A' sec) with a great team spirit.

With great Efforts Glen And Prejlin from 5<sup>th</sup> semester 'A' section won the event rankings first followed by OM Prakash and T. Keith from 1<sup>st</sup> semester 'B' section and was rewarded.

Mr Ashish G Wilson from BBA department was the Guest of Honour and the judge for the event. His valuable inputs and appreciation by expressing it as the wonderful event, which provided an opportunity to all the participants to exhibit their innovative skills, motivated the participants and club-coordinator Dr Pallavi and Ms Abeeba Ahmad.

The Q and A round in fact made the Ingenious Insights event Ingenious Insights - Incredibly Interesting event.

At last Irfan 1<sup>st</sup> semester concluded the event with vote of thanks.

## FINELITE CLUB

## REPORT ON IPL AUCTION 5.0

### INTRODUCTION:

The Department of Business Administration, **FINELITE CLUB**, organized IPL Auction 5.0 on **25<sup>th</sup> and 26<sup>th</sup> May, 2023** for the students of IADCA. It is an Intra collegiate event, to make sure that the students are primarily intended to emphasize their critical thinking ability. The event's main goal is to provide self-driven students with a thorough, professional, and dynamic environment in which they can realise their potential, broaden their professional networks, and gain practical experience. Students will also be given a quick overview of real-time auctioning and bidding, funds management, and portfolio management.

### ABOUT THE DEPARTMENT OF BUSINESS ADMINISTRATION:

The B.B.A. curriculum is designed to provide students with a wide understanding of new professional advancement prospects based on changing needs in industry and society. The subject's main ideas have been updated to reflect new advances and methodologies, as well as to assist students in improving their skills and emphasising various company functions. In a nutshell, it opens several doors in a variety of disciplines, including finance, marketing, and human resource.

### ABOUT THE EVENT:

The IPL Auction is an event where prospective suitors can establish IPL teams by bringing in fresh talent to compete for the championship and win the trophy. In an auction, players from the common pool are sold to the highest bidder in accordance with IPL's Rules and regulations on composition of the squads. Finelite club held the IPL AUCTION for the year 2023, in order to give participants an impression that they were a part of the actual auction.

## **OBJECTIVES OF THE EVENT:**

The main purpose of IPL AUCTION 5.0 is to evaluate the team's ability to make sound financial decisions under time constraints. The activity also meant to demonstrate students' team management and decision-making abilities.

- **To assess the participants' strategic skills**
- **Money management abilities**
- **Reasoning**
- **Logical Thinking**
- **Critical thinking**
- **Teamwork**

## **EVENT DETAILS:**

The auction was conducted in 2 rounds, i.e., the PRELIMINARY round and the FINAL round.

	<b>PRELIMINARY</b>	<b>FINAL</b>
<b>DATE</b>	<b>25<sup>th</sup> MAY,2023</b>	<b>26<sup>th</sup> MAY, 2023</b>
<b>TIMINGS</b>	<b>12:00 p.m. – 2:00 p.m.</b>	<b>8:30 a.m. – 1:00 p.m.</b>
<b>VENUE</b>	<b>Seminar Hall II</b>	<b>Open Auditorium</b>

## **ROUND 1**

**PRELIMINARY - CRICKET AND GK QUIZ:** Quiz round based on the knowledge of cricket and previous IPL editions. It was an elimination round, and the top 10 teams were selected for the final round. We had conducted a quiz consisting of 20 questions related to IPL past editions and crossword puzzle related to finance and cricket players.

Prior to the event digital promotions were made by sending IPL Brochures and QR codes to their respective class groups, in which participants to register online. There was also on-spot registration; we were completely blown away by the number of teams who showed up to participate in this event. There were 45 teams of 3 – 4 members. Each team was split into two groups and handed two sheets with 20 questions on one and a crossword puzzle on the other sheet, which they had to answer and get through to the finals. Everyone took part actively and answered the questions to the best of their abilities. It was systematically organised with the assistance of our Department teachers, volunteers and Finelite members. The answer sheets were gathered to determine the top ten scoring teams.

However, there was a tie-break between the **10th (B.com) and 11th (BBA) teams**, with scores of 12.5 out of 20. A **DEDUCTIVE REASONING ROUND** had been conducted between these two teams, in which short video clips were shown and they were asked to guess the players as well as what would happen next. Finally, the BBA team was chosen to compete in the final round, IPL AUCTION 5.0 which was held the next day.

## **ROUND 2**

**AUCTION ROUND:** The top ten teams had to compete in a live player auction. Each will be granted a certain amount of money (virtual) to utilise in the auction to purchase players.

The preparations for the event began a week ago and included decorations, posters, tables, hand-made t-shirts for the tables, slides of about 250 players participating in the auction, posters used to promote the event while visiting each class, e-posters distributed for creating excitement, and trophies for the winners and runners-up. In order to appear unique and professional, t-shirts were provided for all club organisers, and overall event preparation was completed for the day.

The Auction began around 9:30 a.m., while participants and volunteers were expected to arrive in the Open Auditorium by 8:15 a.m. to get the event started on time. All ten teams were told to dress in the colour of the team to which they had been assigned. Each volunteer was assigned a team to track their spending, number of players, and wallet balance. The first head coach of the day, Mark Boucher, was the first to be put up for auction by our Auctioneer, **Mr. Suresh Jayarama**, and the auction continued until 12:30 p.m., when the majority of the 250 players were bought and it was time for the final round.

Another twist was added to the decisive element of the winning team, in which all ten teams need to locate a SPONSOR for their team. The sponsored individual should not be a member of their department or a subject teacher. Our volunteers created a short film clip to provide as proof. These clips were displayed and scored on a scale of 10 by other teams. A consolation prize was handed to the team **RCB** because they had received the highest number of votes.

The last decisive component was where each team had to outline a thorough strategy of how they would employ each player that they had purchased, their wallet balance, and answer the tactful questions of our judges, which included Assistant Professor, Kesavan R. and Professor, Suresh Jayarama.

The goal will be to assemble a squad of all the team's players under the constraints of a limited budget and a maximum number of players. Each team was handed a booklet with all of the crucial information and rules about the competition.

**Rules:**

- Each team must contain 3-4 members.
- Each team would be given a fixed amount of virtual money (approx. Rs.80 crores).
- This includes the actual 10-team bidding process.
- Each team will need to place a bid for a franchisee, after which they will be required to put together a squad. including a mix of wicketkeepers, all-rounders, batsmen, and bowlers, as well as one head coach, from a pool of players up for auction.
- A list of all players available for the auction, along with their base price will be provided to the teams in the beginning.
- Bidding for each player will begin at his base price.
- The winning team will be the one with the most Rating points at the conclusion of the auction.

**JUDGING CRITERIA:****GENERAL RULES:**

The deciding component is to outbid for the best players and franchises. The game is based on the actual IPL bidding format and gives the teams a sense of fast-paced, highly dynamic environment that exists in the real bidding scenario. It aims to judge the prudence and intuition of the participants, and the skill with which they are able to analyze the cricketing world.

- Their wallet balance by the end of the auction, money management
- Their strategy for their team
- The surprise element for a team to win was their Sponsored person on what basis he/she had agreed to be a sponsor for the team.

**THE NUMBER OF PLAYERS FOR THE TEAM:**

- Minimum No. Of players - 12, Maximum - 18. If you buy more than 12 players then best of 12 players (points), following the below mentioned criteria, will be taken.
- Indian Players: Minimum - 7, Maximum - 10
- Foreign Players: Minimum -5, Maximum – 9

**TEAM COMPOSITION:**

- Head coach: min-1
- Batsman: min-3, max-5
- Spinner: min- 2, max-3
- Fast Bowler: Min – 3, Max – 5

- All-rounder: min- 2, max-3
- Wicket keeper: min-1, max-3
- Uncapped Indian Player: min-1, max-3

**Note: Any Participant failing to meet any of the selection criteria will be disqualified even if he makes the best team following other criterion.**

**The decision taken by the auctioneer and the organizing committee will be final during the auction. And every participant will have to maintain the discipline of the auction and forgive small mistakes as none of us are professionals. Failing these may lead to disqualification.**

Based on the above requirements, our judges had an uphill task and were finally ready to announce the winner of the IPL AUCTION 2023. The judges spoke a few words of encouragement that uplifted the team's spirits and declared the winner as **SUNRISERS HYDERABAD** with the most strategic plan and an excellent mix of players, secured the first place and a trophy to secure their deal. It was then followed by **KOLKATA KNIGHT RIDERS** who secured the 2<sup>nd</sup> place and there was a consolidation prize which was secured by **ROYAL CHALLENGERS BANGALORE**.

The event then came to an end where all the winners had received their awards and pictures were taken with each team, followed by pictures with other faculty members, judges, volunteers and the members of Finelite to capture this moment and take it down memory lane to be kept as a souvenir.

## **CONCLUSION:**

It is our pleasure to thank our **Principal Dr. N. Thilaka**, our Vice Principal **Ms. S Shalini** and Head of Department, **Ms. Bharathi**, for giving us this opportunity and constantly inspiring us to embrace our ideas and motivate us to do better.

Extending our sincere gratitude to the Department of Business Administration Faculty Members **Ms. Mary Magdalene, Mr. Kesavan, Ms. Deepa, Mr. Ashish Wilson, Mr. Ahmed and Ms. Bhavani** who were always supportive. Without their ongoing guidance the event wouldn't have been as awesome as expected.

Finally, I thank Our, Student Welfare Officer Ms. Shobha, Sports Team Mr. Raghupathi, Principal's Office, Technical team, Non-supporting staff and all the Volunteers for helping us out in each and every possible way and also actively taking part for making this event a grand success.

Department of English

Astrophel (Literature Club)

**Event:** Astrophel (Literature Club)

**Topic:** Scrabble & Hangman

**Date:** 1/06/2022 & 15/06/2022

**Time:** 11.15 am – 12.10 pm

**Target Audience:** I, II.III Semester students:

**Aims:**

- Exposes players to new vocabulary that they might, otherwise, never get to know.
- To improve language skills not only by teaching new vocabulary but also by improving the players' spelling skills overall.

**Objectives:**

- To serve as a training ground to practice one's concentration skills. The more they play, the more players are able to ignore external distractions and control any sense of restlessness.
- Train decision skills, analysis skills, and the ability to predict and plan different outcomes.
- To create a relaxed and fun environment that prompts social interaction and bonding with anyone around, even strangers.

**Outcomes:**

- Students become more engaged in their learning, taught content is reinforced and class positivity is increased.
- Will help students to become a part of a team as well as take responsibility for their own learning.

- Will help students to have a more positive perception of their learning environment and give a true indication of their own learning.

The activity planned 1<sup>st</sup> June, 2022 was Scrabble, which was a word game. The game goes like this. The class is divided into three groups. One student from each group comes forward and writes a word on the board. Then all the players from the respective teams take turns and frame different words from each letter both vertically and horizontally. Each and every word written is dissected and each letter of the word will be framed into a new word. The students were motivated to come forward with a word of their own. And also they tried to think of new and uncommon words which was even explained to the students who wanted to know the meaning of that difficult. In this way the activity served to be a form of edutainment where students enjoyed and at the same time refreshed and learnt new vocabularies.

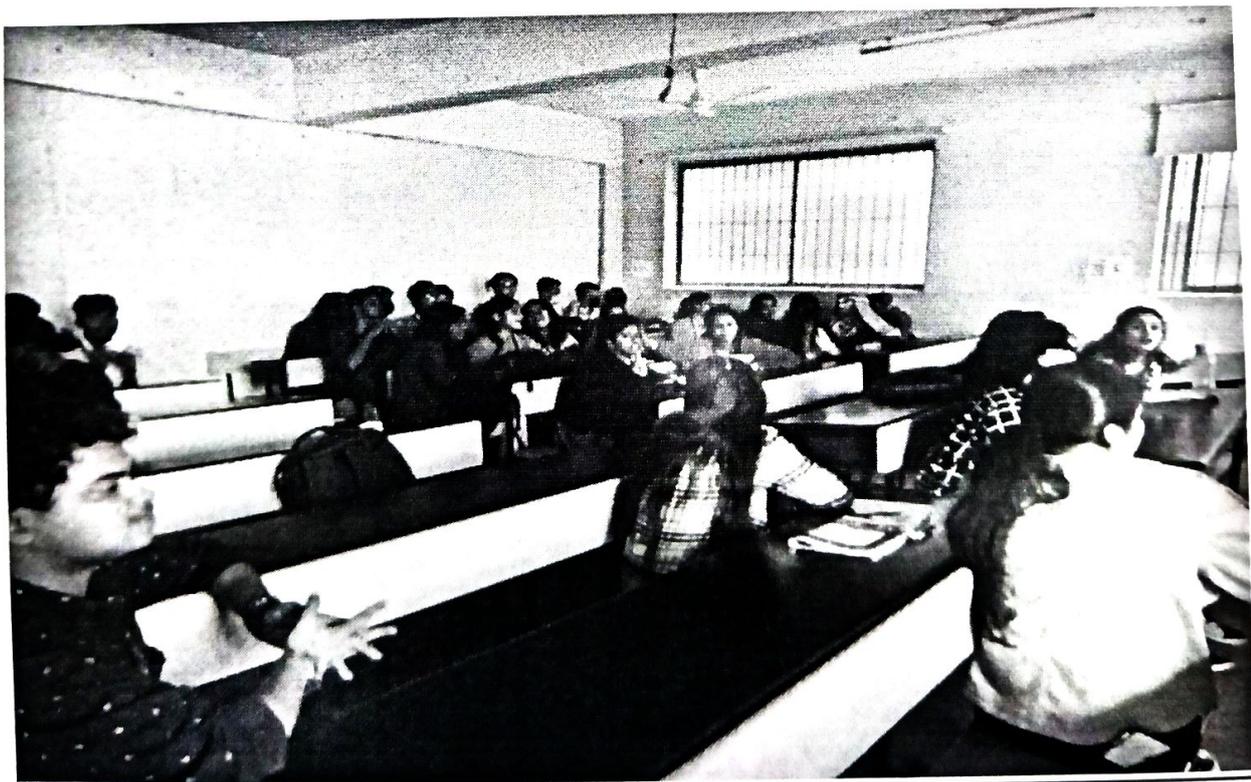

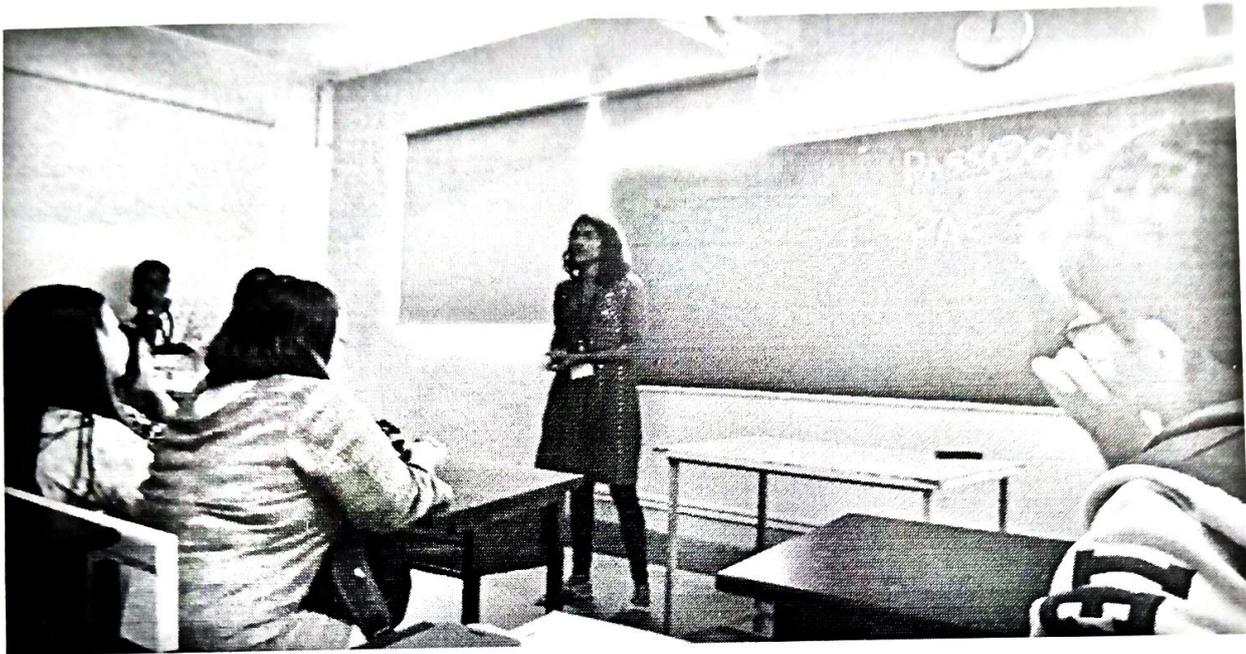

In the same way, the activity planned on 15<sup>th</sup> June, 2022, also aimed in enhancing the vocabulary of the students in a great deal. The game was named as HANGMAN. While the students divide themselves into teams, after a unanimous discussion with the team decides a difficult word to be given in the game. One student from the team writes the word incompletely leaving some blanks to be guessed by the other team. They then ask the first team to guess what letter comes next. If the team guesses the correct letter, write it in the space and ask the other team for the next letter. If the team guesses incorrectly, draw the first part of the hangman for that team and ask the other team what letter they think comes next. The game continues until the opponent team guesses the right word. In this way the students game out with difficult words which made the other team to think hard and find out. It even helped to improve their spellings.

**Event:** Astrophel (Literature Club)

**Topic:** Debate 1 & 2

**Date:** 29/06/2022 & 06/07/22

**Time:** 11.15 am to 12.10 pm

**Target Audience:** II, IV & VI Semester students:

#### **Aims:**

- Helps students understand essential critical-thinking and presentation skills.
- Nurtures rational thinking, citizenship, manners, organization of thoughts, persuasion and public speaking.
- Gives students the opportunity to test their thoughts and views against that of their peers.

#### **Objectives:**

- Teaches individuals the importance of being prepared to listen in two ways.
- It trains people in the mental preparation of listening - having a listening plan.

#### **Outcomes:**

- Will improve the capability to deeply engage the students in relevant learning and to inspire students to be deep thinkers.
- Students who contribute to class conversations early will continue contributing to class discussions later on.

As a part of literature club, a debate was conducted on the topic of "Online Vs. Offline Education" on 29th June 2022 which was later continued and discussed on 6<sup>th</sup> July, 2022.

The debate helped the students to think critically and share their views on the given topic.

Four teams with three students in each team participated in the Debate. Two teams spoke in favour of online education, and the other two teams spoke for offline education. Debater from the team online education said it is a useful teaching method for the new generation and has more flexibility. Advances in technology makes online teaching more effective. They also contributed by saying many students in the classroom environment aren't comfortable talking in public. They feel free to clarify their doubts through online education. Online education helps to save money that they need to spend on campus stay, food, and parking. Debater from the team offline education said it allows the teachers and students for more interaction. Pandemic is one reason where we depend more on online education. A student who resides in the remote areas finds it difficult to access online education due to poor internet connectivity which may affect their learning. In the online mode of education, the teacher cannot monitor the students directly they need to be more self-responsible for their learning. Offline education allows students to meet their teachers to clarify their doubts directly and improve their clinical practice skills and also actively engage themselves in extracurricular activities.

In conclusion, students said it is very essential to learn the skills to provide care to the individuals but this may not be possible in online education. A student from the audience explained the difficulty that they are facing by watching the slides for a long time in the online mode and also, he said it increases the screen time. As this debate was carried forward in two literature club hours it gave an opportunity for each and every student to express their opinion and even their critical views on the others' ideas/opinions.

# Speakers' Club Report

**Topic: 'Dreams' or 'The Best Day of Life'**

**Event: Rhetoric**

**Date: 21/12/2022**

**Topics:**

1. Dreams.
2. The best day of my life.

**Aims:**

- To develop listening, reading, and research skills of the students.
- To motivate inspire and help students to develop general speech fluency.
- To urge students to discover their public speaking potential.
- To enable speakers to convey their message effectively with good oral communication.

**Objectives:**

- To meet and listen to different perceptions of different people.
- To improve the public speaking skills of students.
- To enhance personal development and critical effective thinking of the students.

**Outcomes:**

- It helped students to explore possible solutions to shape their material to fit in their speech purpose.
- Students got to witness different perceptions of different people.
- It helped students to make new social connections among students of other streams.

**Description:**

The speech competition took place on 21.12.2022 at Seminar Hall 2 at 2:00pm. The participants/speakers were comprised of students from various streams and in total we had fifteen participants. The speech competition started with students sharing their personal experiences on a particular day which turned out to be the best day of their lives and other participants had put forth their perception on the topic "Dreams". The participants had a great boost of self-confidence and delivered a good speech to the audience.

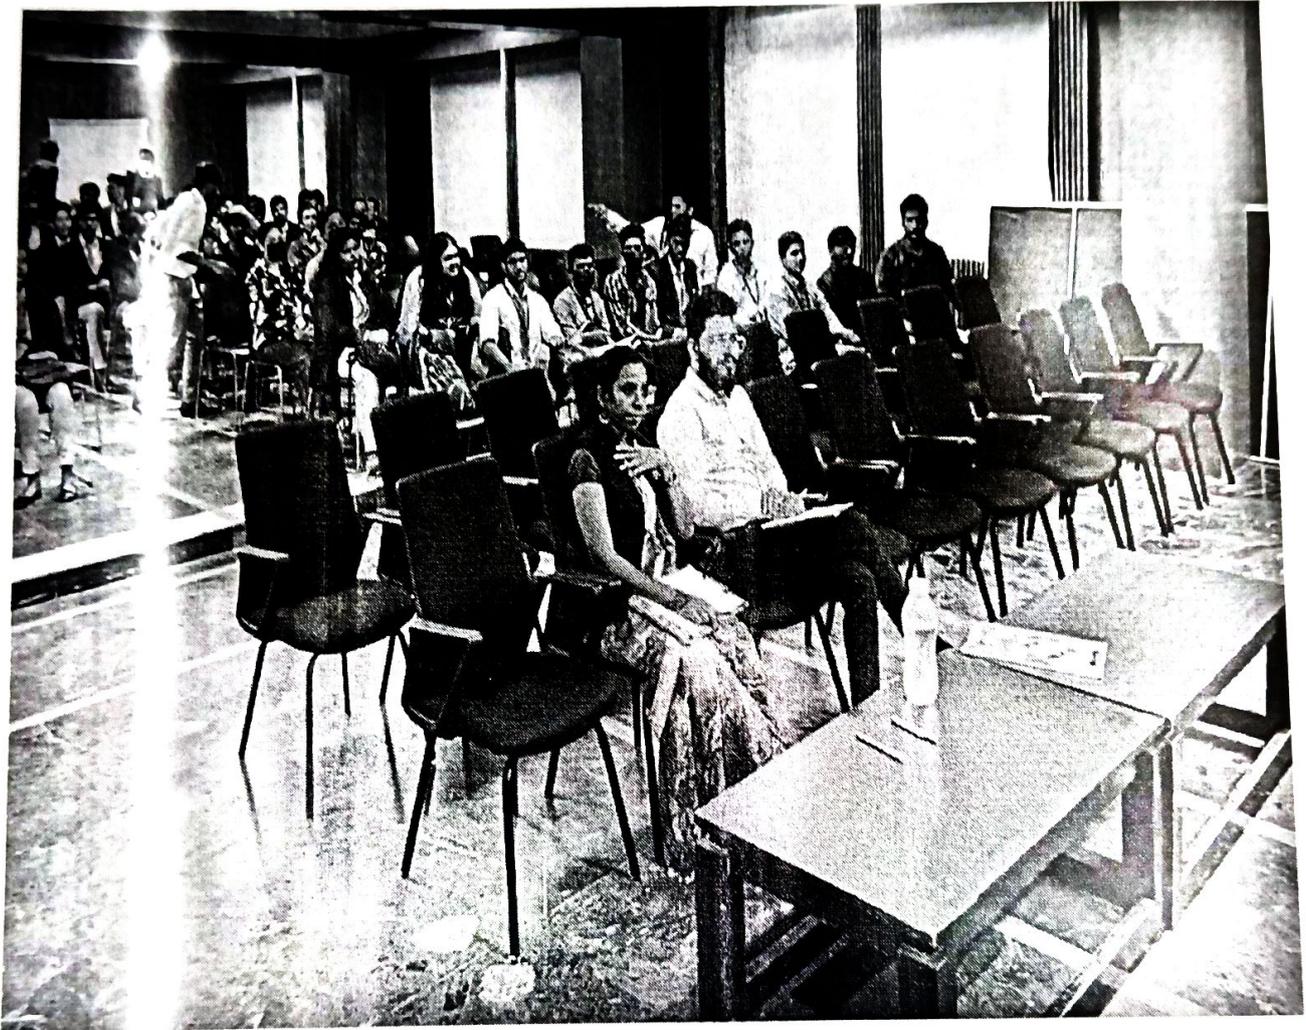

**Winners:**

The participants have been ranked based on their communicating skills, presentation and relevance to the topic.

The winners of this session are:

- First Position – Mark Ethan (B.Com-I Sem)
- Second Position – Disha Holla (BA-V Sem)
- Third Position – Rabiya Begum (B.Sc-III Sem)

## Department of Business Administration

DEXTEROUS-2K22

“ CONQUERING UNCHARTED TERRITORY”

(AN INTER-DEPARTMENTAL MANAGEMENT FEST)

DATE: 11<sup>TH</sup> JANUARY 2023

Faculty Co-Ordinator: Prof. Mary Magdelene

Phone Number: +91 7676107360

Student Co-Ordinator: Ms.Rimsha

Phone Number: + 91 9380324375

### ABOUT THE EVENT

- Every year department of Business Administration conducts inter-departmental fest which enhances the knowledge, skill, and interest of students from other department
- It gives a corporate exposure to those students who are interested and getting themselves ready for corporate life
- It's time for “DEXTEROUS 2K22” To showcase your talent skill and chance for other departments to “CONQUOR THE UNCHARTED TERRITORIES”

### MR.PERFECT (BEST MANAGER)

- The time has come. No matter what the challenge, no matter the situation, the best will win over.
- Only the most dedicated, creative, strong, powerful and mighty warrior can accomplish that.
- Beating all odds, conquering each land, going against the wind, standing against the storm, being tough, uplifting the weak, standing head high.
- Do You Have The Quality To Be The Next Best Manager?

### INDIVIDUAL EVENT

Faculty Co-ordinator: Prof. Bahavnai Kumari G

Student Co-ordinator: Mr. Allon Daniel V P

### SMARTICUS (BUSINESS QUIZ)

- Knowing can only take you so far, Intelligence with wit and confidence will make you the Soul of the realms

- Knowledge is easy to get but wisdom is a gift. Those who seek it will surely find it but it doesn't stop there... .because wisdom is to be implemented...
- Are you ready to challenge the best and be called the winner?

#### TWO IN A TEAM

Faculty Co-ordinator: Prof. Ashish G wilson

Student Co-ordinator: Mr. Yugal R

#### BRAND FLING (AD MAKING)

- Are you creative enough to promote your product through an Ad?
- present your creative and innovative Ad-making skills.
- Show what you got with a minute video submission
- The AD begins..... The confusion commences.....
- The future depends on the strategies that is taken to win the market ...
- The right step, with the right vision is the only way to succeed the market, All rests on the shoulders of a great strategist...
- Are you willing to take the risk???

#### THREE IN A TEAM

Faculty Co-ordinator: Mr. Kesavan R

Student Co-ordinator: Mr.Fazlur Rahman Khan

#### SENSEKS (MOCK STOCK)

- WEALTH IS POWER
- The wealth and riches of any business and it's treasures are not something unimportant... . And that's why a boss has a trusted treasurer
- Come, Explore the wealth within you !
- Are you a good investor?

#### INDIVIDUAL EVENT

Faculty Co-ordinator: Prof. Mohamed Ahmed A

Student Co-ordinator: Mr. Saif Ahemd S

#### CHARADES ( PICTONARY)

- Knowing your competitors gets you on an higher ground, If you understand them...
- Looking through someone's heart to find his story, understanding those that are willing to stand with you, the power of emotions, the bond of true brotherhood,
- knowing the pains of individuals.....it's not easy... ..But if you are that individual who understands others better than yourself take the challenge of understanding others and lead them to their destinations

- Then try your hands at human resources
- can you get out of CATAclysm?

TWO IN A TEAM

Faculty Co-ordinator:

Student Co-ordinator:

### FINELITE CLUB

### REPORT ON IPL AUCTION 5.0

#### INTRODUCTION:

The Department of Business Administration, FINELITE CLUB, organized IPL Auction 5.0 on 25<sup>th</sup> and 26<sup>th</sup> May, 2023 for the students of IADCA. It is an Intra collegiate event, to make sure that the students are primarily intended to emphasize their critical thinking ability. The event's main goal is to provide self-driven students with a thorough, professional, and dynamic environment in which they can realise their potential, broaden their professional networks, and gain practical experience. Students will also be given a quick overview of real-time auctioning and bidding, funds management, and portfolio management.

#### ABOUT THE DEPARTMENT OF BUSINESS ADMINISTRATION:

The B.B.A. curriculum is designed to provide students with a wide understanding of new professional advancement prospects based on changing needs in industry and society. The subject's main ideas have been updated to reflect new advances and methodologies, as well as to assist students in improving their skills and emphasising various company functions. In a nutshell, it opens several doors in a variety of disciplines, including finance, marketing, and human resource.

#### ABOUT THE EVENT:

The IPL Auction is an event where prospective suitors can establish IPL teams by bringing in fresh talent to compete for the championship and win the trophy. In an auction, players from the common pool are sold to the highest bidder in accordance with IPL's Rules and regulations on composition of the squads. Finelite club held the IPL AUCTION for the year 2023, in order to give participants an impression that they were a part of the actual auction.

## OBJECTIVES OF THE EVENT:

The main purpose of IPL AUCTION 5.0 is to evaluate the team's ability to make sound financial decisions under time constraints. The activity also meant to demonstrate students' team management and decision-making abilities.

- To assess the participants' strategic skills
- Money management abilities
- Reasoning
- Logical Thinking
- Critical thinking
- Teamwork

## EVENT DETAILS:

The auction was conducted in 2 rounds, i.e., the PRELIMINARY round and the FINAL round.

	PRELIMINARY	FINAL
DATE	25 <sup>th</sup> MAY, 2023	26 <sup>th</sup> MAY, 2023
TIMINGS	12:00 p.m. – 2:00 p.m.	8:30 a.m. – 1:00 p.m.
VENUE	Seminar Hall II	Open Auditorium

## ROUND 1

**PRELIMINARY - CRICKET AND GK QUIZ:** Quiz round based on the knowledge of cricket and previous IPL editions. It was an elimination round, and the top 10 teams were selected for the final round. We had conducted a quiz consisting of 20 questions related to IPL past editions and crossword puzzle related to finance and cricket players.

Prior to the event digital promotions were made by sending IPL Brochures and QR codes to their respective class groups, in which participants to register online. There was also on-spot registration; we were completely blown away by the number of teams who showed up to participate in this event. There were 45 teams of 3 – 4 members. Each team was split into two groups and handed two sheets with 20 questions on one and a crossword puzzle on the other sheet, which they had to answer and get through to the finals. Everyone took part actively and answered the questions to the best of their abilities. It was systematically organised with the assistance of our Department teachers, volunteers and Finelite members. The answer sheets were gathered to determine the top ten scoring teams.

However, there was a tie-break between the 10th (B.com) and 11th (BBA) teams, with scores of 12.5 out of 20. A **DEDUCTIVE REASONING ROUND** had been conducted between these two teams, in which short video clips were shown and they were asked to guess the players as well as what would happen next. Finally, the BBA team was chosen to compete in the final round, IPL AUCTION 5.0 which was held the next day.

## **ROUND 2**

**AUCTION ROUND:** The top ten teams had to compete in a live player auction. Each will be granted a certain amount of money (virtual) to utilise in the auction to purchase players.

The preparations for the event began a week ago and included decorations, posters, tables, hand-made t-shirts for the tables, slides of about 250 players participating in the auction, posters used to promote the event while visiting each class, e-posters distributed for creating excitement, and trophies for the winners and runners-up. In order to appear unique and professional, t-shirts were provided for all club organisers, and overall event preparation was completed for the day.

The Auction began around 9:30 a.m., while participants and volunteers were expected to arrive in the Open Auditorium by 8:15 a.m. to get the event started on time. All ten teams were told to dress in the colour of the team to which they had been assigned. Each volunteer was assigned a team to track their spending, number of players, and wallet balance. The first head coach of the day, Mark Boucher, was the first to be put up for auction by our Auctioneer, **Mr. Suresh Jayarama**, and the auction continued until 12:30 p.m., when the majority of the 250 players were bought and it was time for the final round.

Another twist was added to the decisive element of the winning team, in which all ten teams need to locate a **SPONSOR** for their team. The sponsored individual should not be a member of their department or a subject teacher. Our volunteers created a short film clip to provide as proof. These clips were displayed and scored on a scale of 10 by other teams. A consolation prize was handed to the team **RCB** because they had received the highest number of votes.

The last decisive component was where each team had to outline a thorough strategy of how they would employ each player that they had purchased, their wallet balance, and answer the tactful questions of our judges, which included Assistant Professor, Kesavan R. and Professor, Suresh Jayarama.

The goal will be to assemble a squad of all the team's players under the constraints of a limited budget and a maximum number of players. Each team was handed a booklet with all of the crucial information and rules about the competition.

## **Rules:**

- Each team must contain 3-4 members.
- Each team would be given a fixed amount of virtual money (approx. Rs.80 crores).
- This includes the actual 10-team bidding process.
- Each team will need to place a bid for a franchisee, after which they will be required to put together a squad. including a mix of wicketkeepers, all-rounders, batsmen, and bowlers, as well as one head coach, from a pool of players up for auction.
- A list of all players available for the auction, along with their base price will be provided to the teams in the beginning.
- Bidding for each player will begin at his base price.
- The winning team will be the one with the most Rating points at the conclusion of the auction.

## **JUDGING CRITERIA:**

### **GENERAL RULES:**

The deciding component is to outbid for the best players and franchises. The game is based on the actual IPL bidding format and gives the teams a sense of fast-paced, highly dynamic environment that exists in the real bidding scenario. It aims to judge the prudence and intuition of the participants, and the skill with which they are able to analyze the cricketing world.

- Their wallet balance by the end of the auction, money management
- Their strategy for their team
- The surprise element for a team to win was their Sponsored person on what basis he/she had agreed to be a sponsor for the team.

### **THE NUMBER OF PLAYERS FOR THE TEAM:**

- Minimum No. Of players - 12, Maximum - 18. If you buy more than 12 players then best of 12 players (points), following the below mentioned criteria, will be taken.
- Indian Players: Minimum - 7, Maximum - 10
- Foreign Players: Minimum -5, Maximum – 9

### **TEAM COMPOSITION:**

- Head coach: min-1
- Batsman: min-3, max-5
- Spinner: min- 2, max-3
- Fast Bowler: Min – 3, Max – 5

- All-rounder: min- 2, max-3
- Wicket keeper: min-1, max-3
- Uncapped Indian Player: min-1, max-3

**Note: Any Participant failing to meet any of the selection criteria will be disqualified even if he makes the best team following other criterion.**

**The decision taken by the auctioneer and the organizing committee will be final during the auction. And every participant will have to maintain the discipline of the auction and forgive small mistakes as none of us are professionals. Failing these may lead to disqualification.**

Based on the above requirements, our judges had an uphill task and were finally ready to announce the winner of the IPL AUCTION 2023. The judges spoke a few words of encouragement that uplifted the team's spirits and declared the winner as **SUNRISERS HYDERABAD** with the most strategic plan and an excellent mix of players, secured the first place and a trophy to secure their deal. It was then followed by **KOLKATA KNIGHT RIDERS** who secured the 2<sup>nd</sup> place and there was a consolidation prize which was secured by **ROYAL CHALLENGERS BANGALORE**.

The event then came to an end where all the winners had received their awards and pictures were taken with each team, followed by pictures with other faculty members, judges, volunteers and the members of Finelite to capture this moment and take it down memory lane to be kept as a souvenir.

### **CONCLUSION:**

It is our pleasure to thank our **Principal Dr. N. Thilaka**, our **Vice Principal Ms. S Shalini** and **Head of Department, Ms. Bharathi**, for giving us this opportunity and constantly inspiring us to embrace our ideas and motivate us to do better.

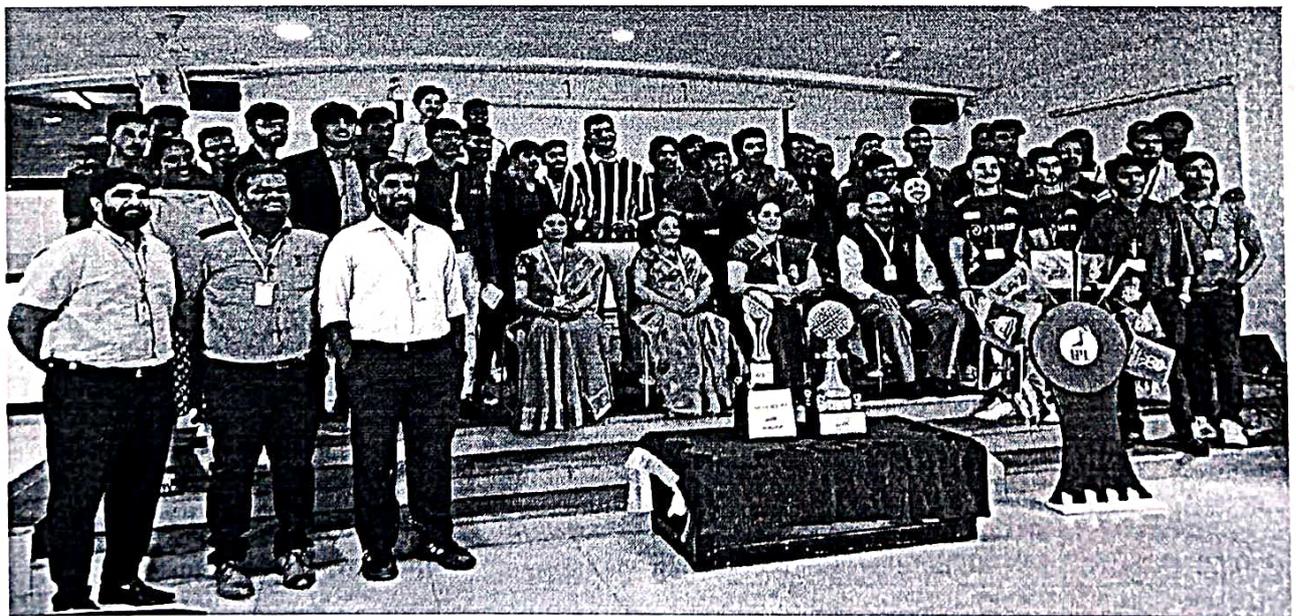

Extending our sincere gratitude to the Department of Business Administration Faculty Members **Ms. Mary Magdalene, Mr. Kesavan, Ms. Deepa, Mr. Ashish Wilson, Mr. Ahmed and Ms. Bhavani** who were always supportive. Without their ongoing guidance the event wouldn't have been as awesome as expected.

Finally, I thank Our, Student Welfare Officer **Ms. Shobha**, Sports Team **Mr. Raghupathi**, Principal's Office, Technical team, Non-supporting staff and all the Volunteers for helping us out in each and every possible way and also actively taking part for making this event a grand success.

# A REPORT ON NEXUS CLUB

## Introduction:

Nexus, a student driven management club from the Department of Business Administration, was initiated with objective to inculcate enthusiasm among students to explore beyond curriculum and to develop innovative ideas, which meet the challenging needs of corporate environment and to foster team building and leadership skills. It helps students to become dynamic future corporate leaders.

The club conducts activities such as Business Quiz, Group Discussion, Corporate Presentation, Guest lectures, and Debates on current business issues. Each activity is carefully crafted to ensure maximum benefits are delivered to the students. Activities on personality development, professional and business behaviour that are not generally included in the formal program but are critical to overall BBA experience are conducted. It is a platform for students to show cases their talents and update their knowledge levels and develop the relevant skills required for the market.

TEACHER CO-ORDINATOR	PROFESSOR MARY MAGDALENE	

## 1st ACTIVITY: SHAPESHIFT RIFT

### ABOUT THE ACTIVITY:

After the elections, the new elected team came up with the first activity "SHAPE-SHIFT RIFT". It was a self debate activity which was different from the conventional ways of conducting a debate.

Participants were asked to prepare both for and against the given topics. The topics were general topics and not any management related ones to encourage students to come forward to express their ideas and participate in a fun debate relatable to them.

During the debate session participants were expected to change their stance from for to against and vice-versa on a signal of SHAPESHIFT only given by the co-ordinator, and changing the stance on other words meant their points would be deducted. This twist was brought about to test their listening skills

### OBJECTIVES OF THE ACTIVITY:

- To improve the communication skills of students
- To help them tackle stage fear
- To improve Debating Skills of students
- To help improve their listening and attention to detail skills
- To help build strong teamwork
- To enable Time Management

### TOPICS:

- 8:15 am v/s 9:15 am Classes
- YouTube Learning v/s Classroom Learning
- Should uniforms be made mandatory in colleges

Date: 13/04/2023

Timings: 2:00 pm to 3:00 pm

Venue: Room 524

Nexus club was excited to see the participants show up in good numbers. We were happy to see 10 participants in teams of 2, which formed 5 teams for one hour of activity. The event was a successful one with all the participants well prepared, and keenly debating to put their points forward.

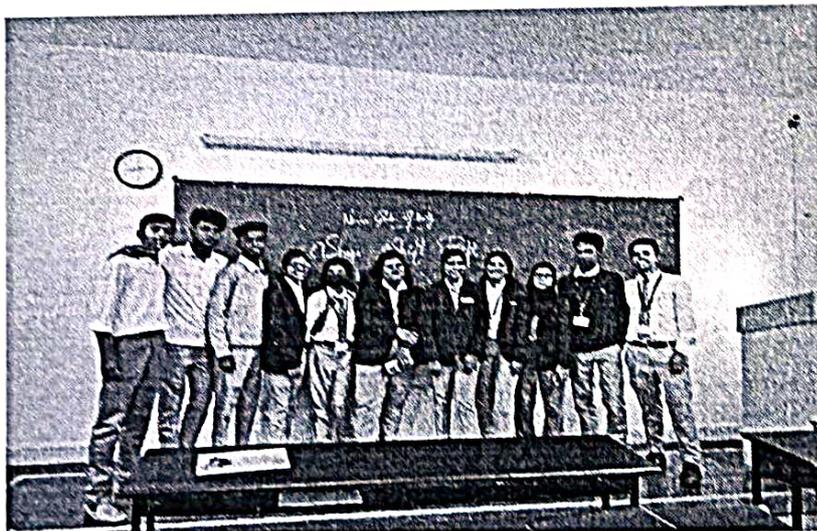

The below mentioned students were declared as the winners of the Nexus club activity1, where they will be recognized with the certificate which will be provided to them on the "Recognition day" which will be conducted at every end of the semester.

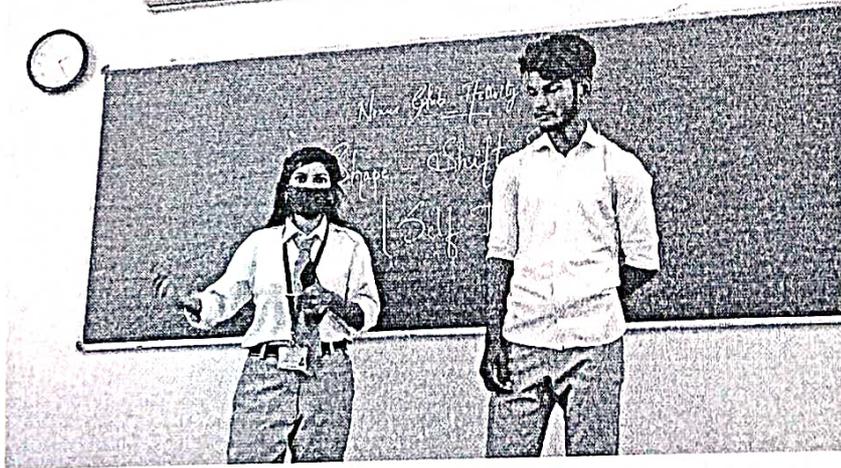

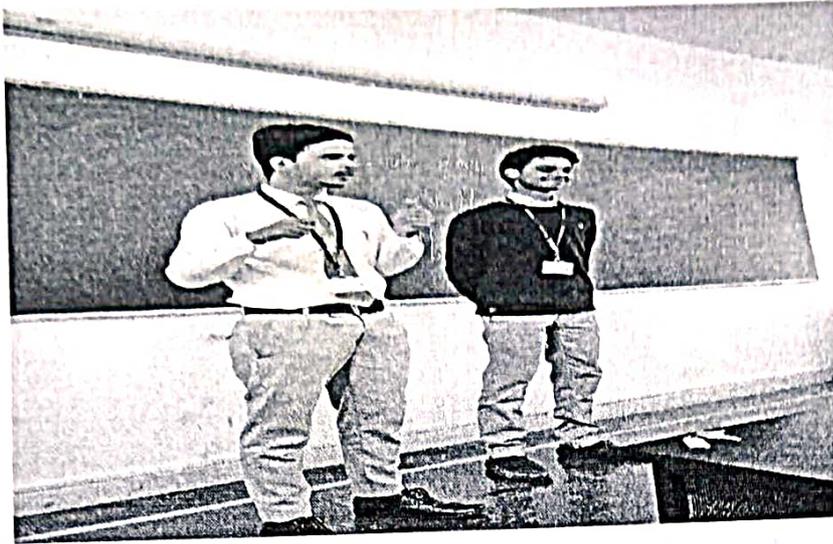

SHAPE-SHIFT RIFT( A SELF DEBATE ACTIVITY) 2023  
NEXUS CLUB EVENT- WINNERS

SL NO	STUDENTS NAME	CLASS	WINNERS
1	SAIF AHMED AND UZAIR P	VI SEMESTER	1 <sup>ST</sup> PLACE
2	LIZZY AND ARSHIYA	II, IV SEMESTER	2 <sup>ND</sup> PLACE
3	PREETHI AND RAM BHAVAN	VI SEMESTER	3 <sup>RD</sup> PLACE

OUTCOME OF THE ACTIVITY:

- Improved Communication Skills
- Overcoming Stage Fear
- Enhanced Listening Skills
- Improved Debating Skills
- Increased Presence of Mind

## REPORT ON FINELITE CLUB ACTIVITY

### INTRODUCTION:

The Club Activity is an extension of our coursework in the Department of Business Administration, as we look forward in conducting such activities.

Finelite Club had organized an activity called "BID TO WIN."

### ABOUT THE ACTIVITY:

BID TO WIN is an event which helps students to know their capabilities in solving a puzzle which is related to finance and improve their confidence level and competitive spirit between the participants.

### OBJECTIVES OF THE EVENT:

- To ensure students gain knowledge related to finance.
- To make students learn valuable skills on negotiation, budgeting and decision-making.
- To bring Competitive spirit among the participants.

### RULES AND REGULATIONS

- Three in a team.
- The activity consists of two rounds.

**DATE:** 28/04/2023

**TIME:** 2 p.m. – 3.30 p.m.

**VENUE:** The event was conducted in SEMINAR HALL 1

## **ROUND 01:**

### **CROSSWORD PUZZLE**

- Words are related to finance
- 15 mins of time to solve the puzzle
- Top 5 teams will be qualified for the final round.

## **ROUND 02:**

### **BIDDING BLITZ**

- Each team will be provided with 15000 points.
- The team needs to bid minimum 1500 points maximum no limit.
- Right answers will be rewarded 2x points.
- Team will lose the points that they have bid if the answer is incorrect.
- The team with the highest points will ultimately be the winner.

## **OUTCOME OF THE EVENT:**

- The activity had helped students in educating them on various topics related to finance.
- They were also using strategies on how to bid.
- The audience were also excited to answer those questions. Therefore, it created a healthy environment.

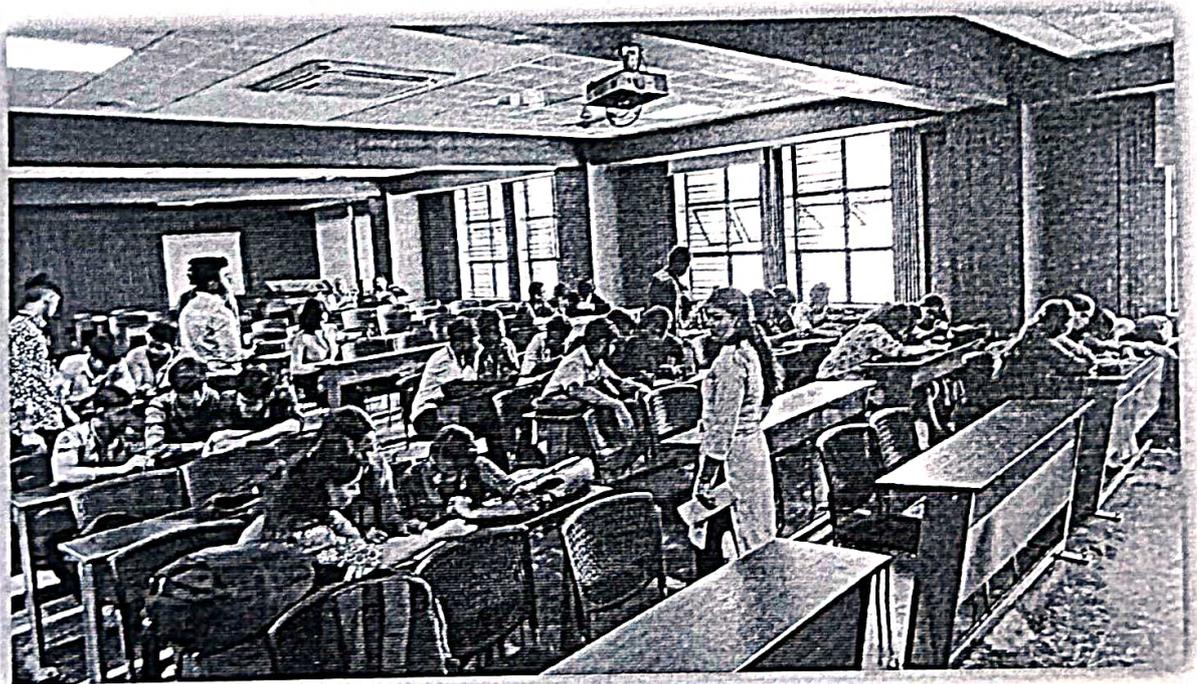

## **CONCLUSION:**

The intension behind the club activity is to make sure that the students are primarily intended to emphasize their critical thinking ability.

I thank all the Teacher coordinators and the club coordinators for their constant time and support which went according to the plan.

Finally, I thank all the participants for making this event a successful one.

- To increase Efficiency
- To promote Personal Development

### **Outcomes:**

- The students were able to deal with stressful environments.
- The students were able to think on their feet.
- The students demonstrated the ability to lead and work in teams.
- The students critically evaluated and solved business cases.
- The students were able to handle multiple tasks.

Managers become great communicators by being good listeners. They allow time for others to speak. They have a clear understanding of organization's vision and share it with the people in the team in a way that motivates them. Good managers deals with stress and controls their emotion without letting it get in their way

In the Best Manager Event, we had 3 rounds. The first round was an aptitude test in which the participants had to answer 20 to 30 questions based on general knowledge and tests the participants IQ. The second round consisted of the winners of the first round making a video and a poster that promotes the college in a positive way and candidates that got the highest likes was qualified to the final round. The third round was about stress interview. The candidates who were qualified for the final round had to pass through a stress interview and the candidate that performed well was the winner

### *Brand Fling (Ad Making)*

Advertising is the practice and techniques employed to bring attention to a product or service. Advertising aims to put a product or service in the spotlight in hopes of drawing it attention from consumers. It is typically used to promote a specific good or service, but there are wide range of uses, the most common being the commercial advertisement.

#### Objectives of Brand Fling (Ad Making)

- Introduce a Product
- Introduce a Brand
- Awareness Creation
- Acquiring Customers or Brand Switching
- Differentiation and Value Creation
- Brand Building
- Position the Product – Product and Brand call
- Increases sales
- Creat Desire
- Call to Action

## *Charades (Pictionary)*

The team chooses one person to begin drawing; this position rotates with each word. The drawer chooses a card out of a deck of special Pictionary cards and tries to draw pictures which suggest the word printed on the card. The pictures cannot contain any numbers or letters, nor can the drawers use spoken clues about the subjects they are drawing. The teammates try to guess the word the drawing is intended to represent.

### Objectives of Charades (Pictionary)

- Enhances Logical Thinking Skills
- Aids Memory Retention
- Promotes Healthy Communication Skills
- Offers a Fun-Filled System of Learning
- Creates a Platform for Trust
- Encourages Discipline
- It's a Game for Everyone
- Promotes the Sharing Ideas
- Promotes and Enhances Vocabulary

### *Smarticus(Business Quiz)*

The point of a business quiz is a fun and educative way to test your knowledge and teach you more about business which in turn makes you a better businessman/woman or entrepreneur. At the heart of your business success lies a successful strategy.

#### Objectives of Smarticus (Business Quiz)

- Changes scope of learning
- Encourages team work
- Bridges academia-industry gap
- Enhances quick decision making skills
- Gains more knowledge about business

## Senseks (Mock Stock)

Mock Trading is a simulation of trading share. Mock trading will help young investors to identify the right counters to buy and to put in their investment portfolio without losing their money. Trading is a process to buy or sell share and investment portfolio is a pooling of several securities or stocks in one file.

### Objectives of Senseks (Mock Stock)

- Risk-free tool to practice.
- Mock trading enables beginners with a simulation of the real crypto market.
- Gain expertise.
- Reward-based experience instills confidence.
- Final Word

### Vote of thanks

On behalf on the organizing team, it's my privilege to propose a vote of thanks on this occasion. My heart fills with lots of gratitude and respect for our distinguished guest speakers for not only spearing their invaluable time for us to grace this occasion but also for enlightening us with their commendable talk on the subject. Thanks all of understanding pertaining to the event. You have indeed put best of your efforts to make this event unforgettable event. We are highly obliged to your presence.

I am running short of words to express my humble thanks to all the guests, participants and the audience for making this event a success. You have all provided us with valuable support in enriching the event Dexterous.

**FRESHER'S DAY CELEBRATION.**

**DATE: 10<sup>th</sup> November 2022**

## FRESHER'S DAY CELEBRATION REPORT

Date: 10<sup>th</sup> November 2022

Venue: multi-purpose hall,

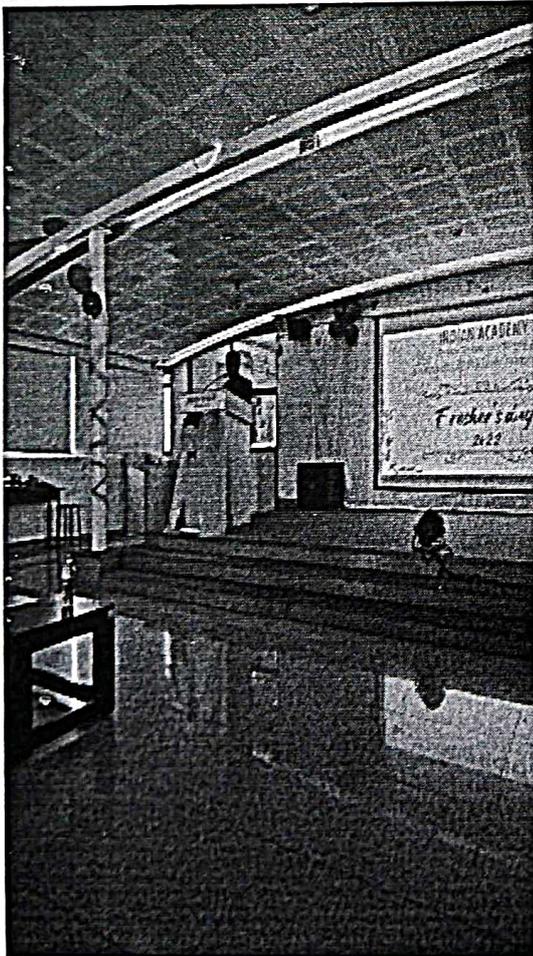

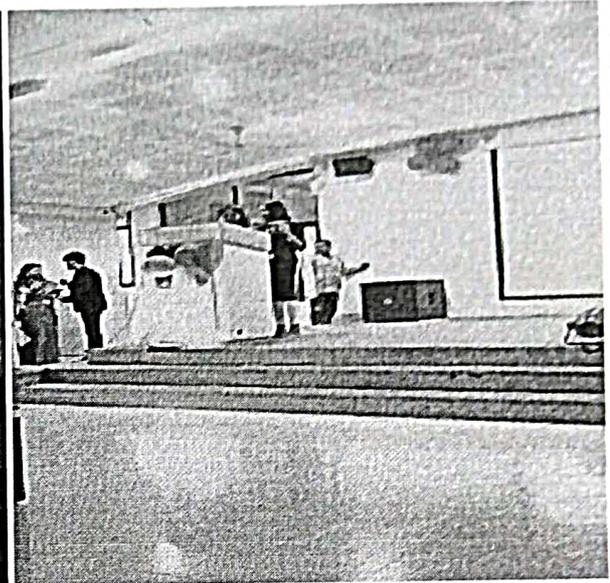

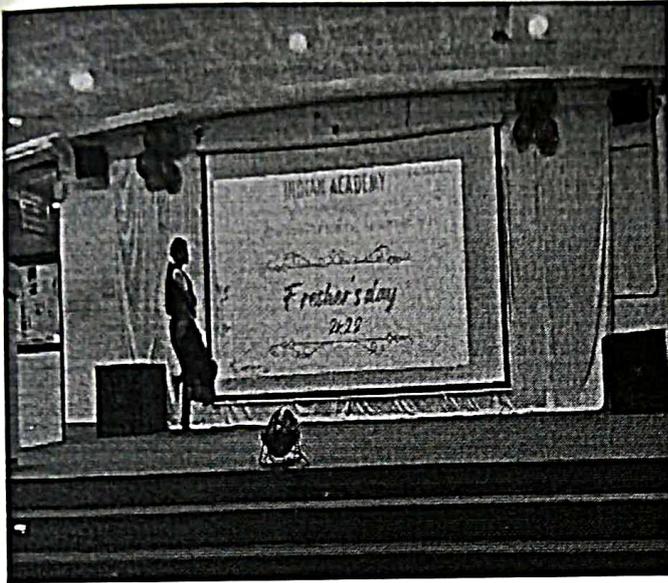

Time: 2:00pm

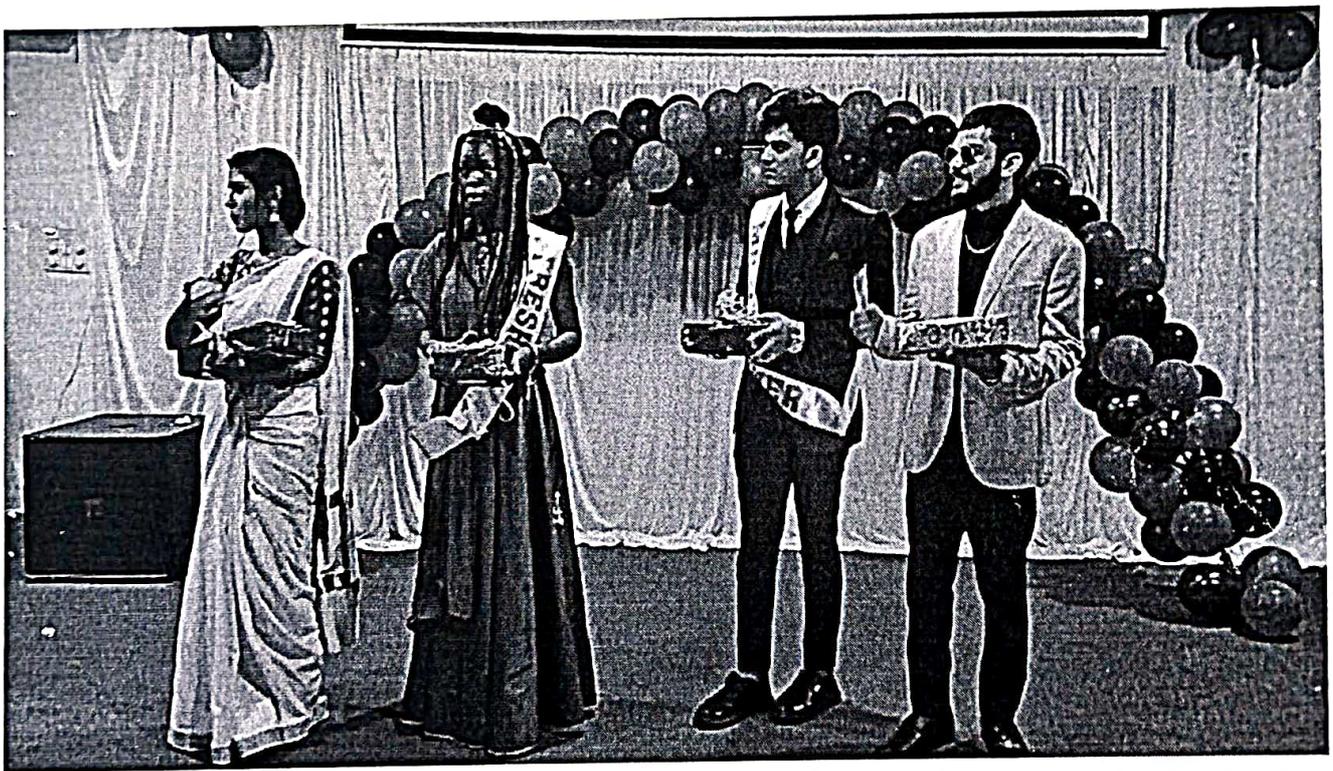

The purpose of Fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Students of First Year (batch:2022-23)-BBA students were welcomed with the red rose to this party which was organized by Student's Council in the Multi-purpose hall at 2PM.

The program started with lamp lightening and inaugural speech by Honorable Principal, Prof. Deepa S and followed by the President's speech for the fresher's. The program was hosted by Mr. Sunjay S, student from Second Year BBA B-Section. The cake was cut by the Principal, the HOD of all departments, President, and the Class Representatives of the each fresher's batch. The welcome dance (Bharatnatyam) was performed by the Class representative of 3rd Sem BBA, Ms Keerthana NB.

Freshers along with their seniors got chance to showcase their talent by a stunning Ramp walk, various Dance performances like solo, Duo, Group dances. Later small games were organized to make the function more tricky and fun! Talking about the ramp walk, it was conducted in two rounds. In the Round 1- the participants walked on the ramp and gave poses towards the audiences. The audiences enjoyed the fashion show and they encouraged the participants by making hooping sounds. Later in the Round 2- the shortlisted participants walked again on the ramp and they were asked to stand in the line followed by the questioning session based on which the Mr. and Ms. Freshers were finalized. There was a tough competition among the freshers as they all were amazing!

Mr. Tabrez Pasha & Miss. Kipenga Emanuella were chosen as the Mr. and Miss Fresher, respectively. The event was finally concluded with vote of thanks by Mr. Sanjay R, Joint Secretary. Refreshments were served in after the program

### IRIS CLUB – PICTONARY

#### Objectives:

- To promote teamwork and communication skills among the students.
- To enhance the creativity and problem-solving abilities of the participants.
- To provide a platform for the students to showcase their talent and compete with their peers.

#### Outcomes:

- Improved teamwork and communication skills of the participants.
- Increased creativity and problem-solving abilities of the participants.
- Enhanced confidence and self-esteem of the participants.
- Increased social interaction and networking among the students.
- Increased awareness and participation in future events organized by the Iris Club.

## REPORT:

On 15th December 2022, the Iris Club organized a Pictionary event in Seminar Hall 2. The event was a great success, with a large number of students participating actively. The event started with an introduction to the rules and regulations of the game. The participants were divided into teams of two, and each team was given a sheet of paper and a marker pen. The game began with one member of each team picking a card with a word or phrase on it and then drawing it on the sheet of paper. The other team member had to guess the word or phrase within a time limit of one minute. The students participated with great enthusiasm, and it was evident from their intense concentration and quick responses. The game continued for around two hours, with several rounds of drawing and guessing. The students were seen enjoying the game and cheering for their respective teams. After a nail-biting competition, the winners were declared.

The first place was bagged by Sneha and Mudaser, the second place by Pavani and Rajesh, and the third place by Sheema and Jitender.

The event was a great success, and the students appreciated the efforts of the Iris Club in organizing such a fun-filled and engaging event. The event helped in enhancing the students' creativity, teamwork, and communication skills. It also provided an excellent platform for the students to showcase their talent and compete with their peers.

In conclusion, the Pictionary event organized by the Iris Club was a grand success, and the students thoroughly enjoyed the game. It was a great initiative by the club, and we hope to see more such events in the future.

## BRIEF NOTE ON THE COLLEGE COMPETITION :

There is strength in unity, and this is the golden tomorrow of the country.

### DEPARTMENT OF COMMERCE UG, IADC –A organized collage competition on “EKTA DIVAS”.

The event was held in open Audi on 31<sup>st</sup> march 2022, with various teams from 4<sup>th</sup> & 6<sup>th</sup> SEM B.COM students. The topic of the event was “EKTA DIVAS”, and based on the topic the teams started to do their collage with newspapers & other materials. The students brought out the creativity in their collage with meaningful thoughts about Ekta divas. The students learnt about. The growth and security of any country are due to the mutual unity between the government and citizens of that country.

The strength of any country depends on the unity of that country. The greatest beauty of India is that all citizens of different religions live here together. Sardar Vallabhbhai Patel played an important role in uniting India, hence his birthday is celebrated as National Unity Day. The growth and security of any country are due to the mutual unity between the government and citizens of that country. This sense of unity is essential for building a prosperous and strong nation. National Unity Day not only helps in the formation of a strong country but also encourages the development of every citizen of the country.

The event was judged by the faculties of IADC-A PROF. MOHAMMED JAFFER SADIQ & DR. VIVEK. The judges judged the event based on creativity. They asked questions to students to know about their understanding of the topic. The students gained knowledge about the topic and it was successfully conducted. The judges appreciated the students for their active participation.

The event was a highly informative & fruitful experience for the students.

### Conclusion

The overall event was organized well, and all the students had happy learning.

## *DSR ACTIVITY ON CYBER CRIME*

*Date: 23/11/2023*

*Venue: IADC-A*

*Number of Participants: 120*

### **List of Objectives**

- To protect the confidentiality, integrity, and availability of information and systems
- To Prevent debit/credit card fraud for digital payments.
- To prevent data breaches and identity theft by safeguarding sensitive information from hackers, cybercriminals, and other malicious actors.
- To ensure business continuity and resilience by minimizing the impact of cyberattacks on the operations, reputation, and finances of organizations.

### **List of Outcomes**

- To describe cyber organized crime and criminal groups that engage in cyber organized crime
- To Identify and discuss the structures and characteristics of organized criminal groups that engage in cyber organized crime
- To Identify different types of cyber organized crime
- To analyse the ways in which information and communication technology is used to commit cyber organized crime
- To evaluate the measures used to counter cyber organized crime

Department of BBA organised an awareness programme on Cyber Crime and Safety of Society on 23rd November, 2023.

The awareness was conducted by V Semester BBA students with support of Prof.Suresh J and Prof.Kesavan R.

Keeping in mind the alarming rate at which cyber-crimes are taking place, the event was mainly intended to spread awareness especially among the youth who are most vulnerable to such malpractices. In a world where internet has become more of a necessity, proper guidelines for safe internet usage is a must, for this the students of BBA came forward to share basic guidelines with the students and teachers of IADCA

Internet has become one of the integral part of our daily life. It has transformed the way we communicate, make friends, share updates, play games, and shop. They are impacting most aspects of our day-to-day life.

Cyberspace connects us virtually with crores of online users across the globe. With increasing use of cyberspace, cybercrimes especially against women and children such as cyber stalking, cyber bullying, cyber harassment, child pornography, rape content, etc. are also increasing rapidly. To stay safe in the online world, it is important to follow some cyber safe practices which may help in making our online experience and productive

### **CYBER AWARENESS AND HYGIENE FOR PARENTS**

**Talk to your children** about the potential online threats such as grooming, bullying, and stalking, keep track of their online activities. Set clear guidelines for internet and online games usage.

**Notice indicators of change in behaviour:** If your child begins to spend more time online and starts being defensive or secretive about their online activities, it may be an indicator of cyber grooming. Talk to your child and engage him/ her in other activities.

**Protect your child from Cyber Grooming:**Grooming is a practice where someone builds an emotional bond with a child through social media or chat window with an objective of gaining their trust for sexual exploitation.

Children may remove privacy settings on social media to make more friends. Parents should discuss responsible use of social media. Also, they should educate and help them in selecting strong privacy settings.

**Never click suspicious links or attachments:** Never click on links or files received in e-mail, text message or social media from unknown person. This may be an attempt to infect computer with a malware.

**Cover your webcams:** A web camera (default in laptops) if hacked/compromised can be leveraged as a medium to observe/watch and record day to day activities. It is a recommended to cover webcam when not in use.

**Install anti-virus software's with parental control** functionality or parental control software's on the devices used by children and review there privacy settings of social media sites used by them.

**Keep software updated:** Keep your software and Operating system up-to-date. Hackers target software vulnerabilities to access private information and putting you at risk, so make sure to update all your software with the latest security patches. Never install software, games, music and apps from trusted sources.

**Set Secure browser settings:** Always choose updated version of the browser and install safe browsing tools for protection yourself from hackers and malware.

## **CYBER AWARENESS AND HYGIENE FOR TEENS AND YOUNG ADULTS**

**Secure your online presence just like you secure yourself:** If you have not selected the right settings on your social media accounts, then photos and videos posted can be viewed, downloaded and used by others without your knowledge.

Select the right privacy settings and content sharing filters on social media so that you are sharing your information, photos and videos only with your trusted ones.

Be selective about accepting friend request of strangers on social media

Learn how to block someone who is making you uncomfortable

Learn how to remove someone from your friends list

Remember to logout from social media websites after use

Secure your phone with password

If you notice your fake account has been created, you can immediately inform social media service provider so that the account can be blocked

**Be mindful of your appearance on video chat & video calls**

Your video chats on social media sites can be recorded by the person on the other side

There have been instances where video chats which were supposed to be private in nature have been recorded and shared on social media groups and websites

Be careful while accepting chat requests from strangers

### **Do not use Smartphone for taking sensitive personal photographs and videos**

Do not use Smartphone for taking sensitive personal photographs and videos. Most of the smartphones are connected to internet and cloud storage. If a picture or video has been clicked/ recorded by using smartphone connected with the cloud, it may get saved automatically into the cloud. Even if users delete their photos or videos from their phone, the same photo or video can be recovered from the cloud account or any other device/ PC connected to the cloud using same account.

If someone has taken such photograph using Smartphone, then take it seriously and make sure to get it deleted from their smartphone, the cloud and any other device connected using the same account.

## **CYBER AWARENESS AND HYGIENE FOR ORGANIZATIONS**

### **How to deal with Child Pornography (CP)/ Child Sexual Abuse Material (CSAM) or sexually explicit material in workplace?**

All organisations should have clear and strong HR policies on how to deal with content on Child Pornography (CP)/ Child Sexual Abuse Material (CSAM) or sexually explicit material

Organisations should have clear rules for use of electronic devices provided by the organisation

If any employee is found possessing obscene or indecent content, proper investigation and action should be taken against them

The organisation should report any incidence of sharing and storage of obscene content within the organisation to the police. The copy of the content should be saved as an evidence with restricted access

All other copies of the content should be deleted

They can also report through National Cyber Crime Reporting Portal ([www.cybercrime.gov.in](http://www.cybercrime.gov.in)).

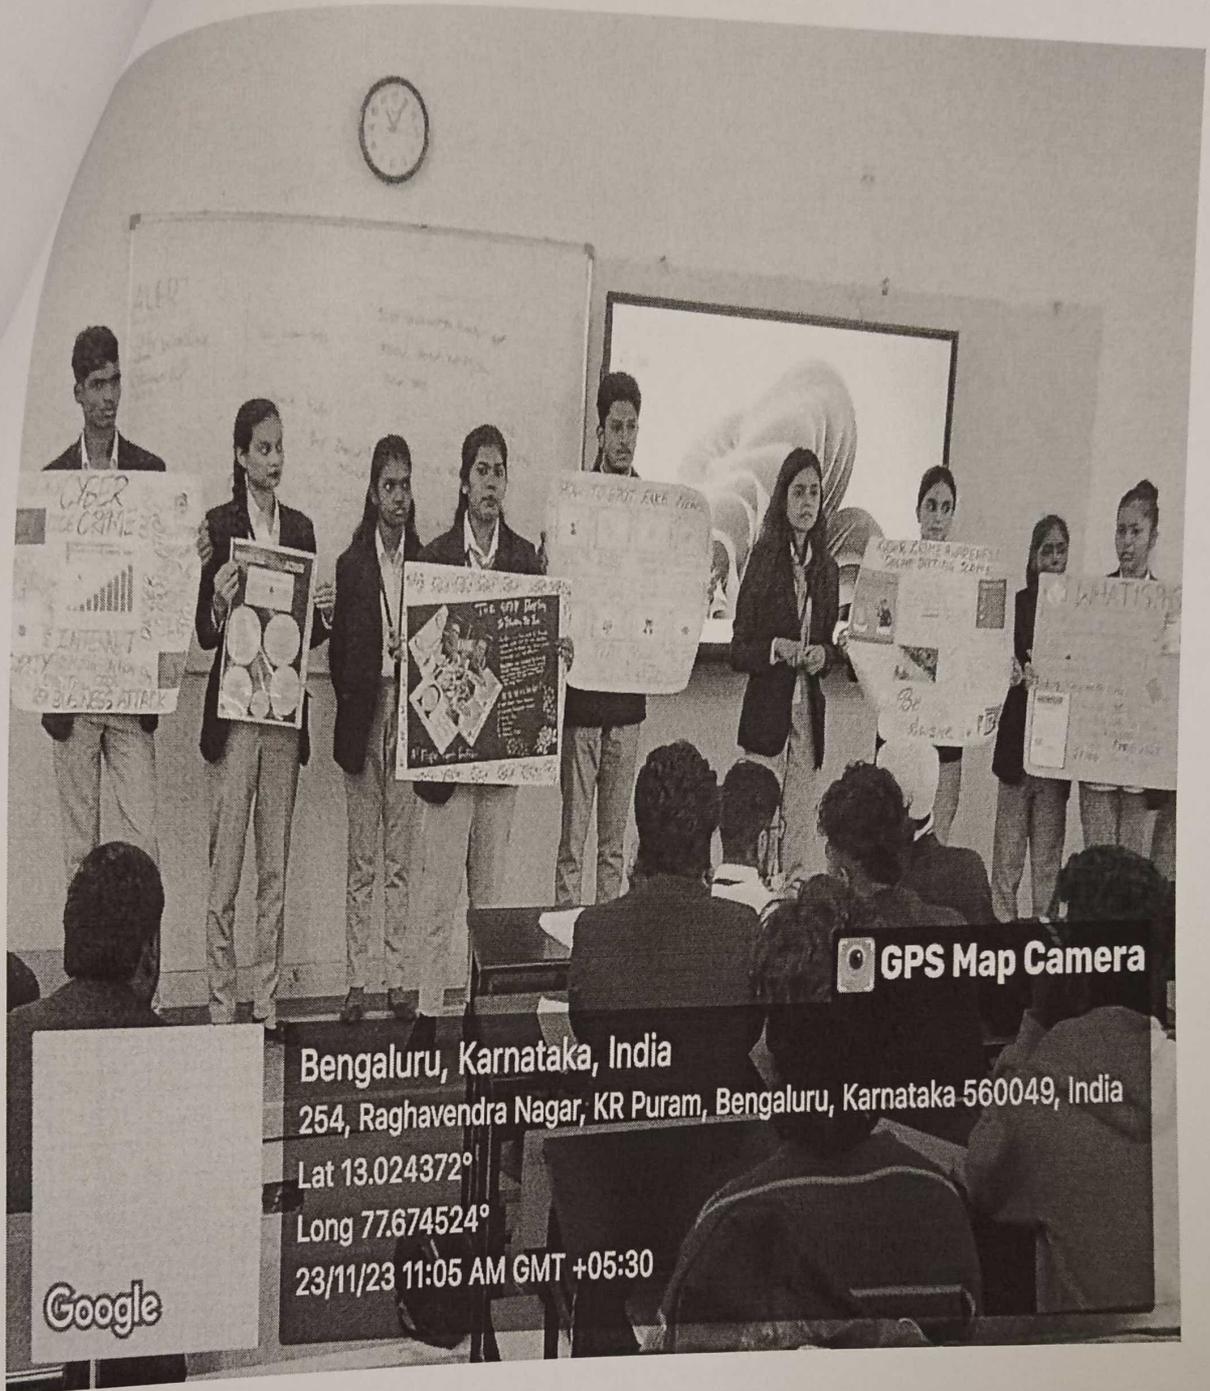

**Publication, Collection and Distribution of Child Pornography (CP)/Child Sexual Abuse Material (CSAM) or sexually explicit material is illegal**

Under Section 67 and 67A of Information Technology Act, 2000 makes publication and distribution of any material containing sexually explicit act or conduct in electronic form a punishable offence

Section 67B of IT Act, criminalizes browsing, downloading, creation, publication and distribution of child pornography

**Be safe, Browse safe!**

### *1. DSR ACTIVITY*

**Date:** 30/05/2023

**Venue:** Brothers Integrated Rural Development Society (BIRDS)

**Number of Students Visited:** 30

#### **List of Objectives**

- To work for the social development of underprivileged individuals, groups and communities
- To encourage healthcare development and health promotion
- To assist in the process of social integration and personal realization of underprivileged children, young people, adults and families
- Raise the entire community as we provide support and a helping hand to those less fortunate than us.

#### **List of Outcomes**

- Student can feel a greater sense of belonging by keeping up with other people regularly.
- Student can boost your sense of belonging and improve your self-esteem when you become an active member of local community.
- The outcome of the visit is about connections. Connecting with the right people, at the right places, and at the right time.
- Students start appreciating the little things in life when they see people who don't have them.

Department of BBA - Indian Academy Degree College -  
Autonomous along with faculty members visited Brothers Integrated Rural Development Society (BIRDS). BIRDS target their integral development action in 150 poor and neglected villages, facilitating improvement in the quality of the lives of the women, youth and children from the marginalized and oppressed communities of the society. They are spread across this area are truly in need of immediate socio-economic interventions for survival, social opportunities, sustainable living conditions and renewed eco-social systems.

30 student volunteers from BBA accompanied by Faculty Coordinators Mr. Kesavan R, Mr. Mohammed Ahmed and Ms. Bhavani Kumari visited the place. At present 40 to 45 orphan children between 3 to 18 years of age are living in BIRDS. We reached the NGO at around 2:30 PM. The children of BIRDS NGO were very pleasantly excited to receive the members. The students greeted us with great enthusiasm. We also met the caretaker. While interacting with the caretaker, we got to know the history of the BIRDS how it was established. After that student volunteers distributed the provision visit to the needy people. The students interacted with the team.

All the children looked so excited and joyful. On this occasion faculty members and students handed over the provision items as a token of love which was collected by the student volunteers from the students and staff of the college for this noble cause to the caretaker. The team spent an about one hour with them before saying goodbye to them. It was indeed very satisfying experience for students, as they could bring smiles on their faces. They realized that one contribute and understand his /her social responsibilities towards society.

The Goodbyes were hard and left the Orphanage with a mixture of good feelings and sad emotions. The visit encouraged to do more for the needy and help them. The experience was very memorable. It was an unforgettable trip.

It was indeed a very satisfying experience for the students as they could bring smiles on their faces however for a brief period. Students realized that one must contribute and understand his/ her social responsibility towards the society. The department of BBA is very grateful to our Principal Madam, Dr. Thilaka, for permitting and encouraging the students and the faculty to visit above orphanages and allowing availing college bus facility.

### 2. DSR ACTIVITY

**Date:** 31/05/2023

**Activity:** World NO Tobacco Day

**Venue:** IADCA & Hennur Village

**Number of Students Visited:** 35

#### List of Objectives

- To impart knowledge about identification and diagnosis of pest problems and their management in tobacco.
- To export promotion of all varieties of tobacco and its allied products, its functions extend to production, distribution
- Support efforts to combat desertification and environmental degradation by decreasing tobacco farming
- Expose industry efforts to obstruct sustainable livelihoods work.

#### List of Outcomes

- To raise awareness about alternative crop production and marketing opportunities for tobacco farmers and encourage them to grow sustainable, nutritious crops.
- By continuous efforts, education, and awareness, this event marks a collective commitment to reduce the suffering of tobacco-related diseases and create a better and healthier world for future generations.
- To raise awareness about the harmful effects of tobacco use and supports the decision to implement effective policies that will reduce tobacco consumption.
- Decreasing tobacco cultivation allows for the preservation and restoration of land, protecting it from further damage.

Department of Business Administration, IADCA, Bangalore has observed "World No Tobacco Day". Every year, on 31st May, the World Health Organization and global partners observe World No Tobacco Day (WNTD). The annual campaign is an opportunity to raise awareness on harmful and deadly effects of tobacco smoke use and second-hand smoke exposure, and to discourage the use of tobacco in any form. To organize a pledge-taking ceremony in a befitting manner following the strict adherence to the Government protocols on COVID-19.

The pledge taking ceremony was organized for all the faculty, students and non-teaching staffs of IADCA College on 31st May 2023. A total of 35 students, 33 faculty and non-teaching staff participated in the pledge.. The overall programme was coordinated by Mr.Kesavan R, Assistant Professor, Department of BBA.

This year, 2023, the World No Tobacco Day Theme is "We need food, not tobacco", intends to get tobacco producers to adopt sustainable and nutritious crops by providing awareness concerning marketing options and production alternatives. In addition, the theme focuses on exposing the efforts of the tobacco industry's sabotage initiatives to replace tobacco with sustainable crops, leading to the global food crisis.

On this day, government authorities and policy-makers frame and implement suitable policies, strategies and enable market conditions for tobacco farmers by switching them to growing food crops to curb the food crisis. In addition, green activists and public social welfare associations join hands to promote the efforts to stop growing tobacco crops.

### **How Smoking and Tobacco Consumption Impacts the Health?**

Tobacco consumption and smoking affects our health in number of ways, it could be reason for the following fatal diseases:cancer of digestive system like GERD, Achalasia Cardia (pancreas, stomach, mouth, liver, rectum, colon, and esophagus)

- ✓ Neurovascular complications and neurological disorders along with other neuro related disease like stroke, Small Vessel Ischemic Disease of the Brain (SVID) and vascular dementia
- ✓ Heart disease
- ✓ Lung diseases
- ✓ Diabetes
- ✓ chronic obstructive pulmonary disease (copd)

- ✓ Tuberculosis
- ✓ Certain eye diseases

### **How Tobacco is Effecting Environment?**

Around 35 lakhs hectares of land are destroyed to grow tobacco every year globally tobacco cultivation accounts for the deforestation of 2,00,000 hectares and soil degradation every year around 4.5 lakhs crore cigarette butts are not disposed properly every year globally generating 80 crore kg of toxic waste every year and releasing thousands of chemicals into the air, water and soil use of a large amount of water to cultivate tobacco, depleting water from planet

### **Tips to abstain from smoking**

The following factors can aid in smoking cessation

- ✓ Using nicotine replacement therapy
- ✓ Avoiding triggering areas such as bars
- ✓ Chewing sugarless gum or hard candy to resist tobacco cravings
- ✓ Distracting oneself and moving to a smoke-free zone to overcome a tobacco craving
- ✓ Daily exercise
- ✓ Trying alternate relaxation techniques to reduce stress, such as deep breathing, muscle relaxation, yoga, and music

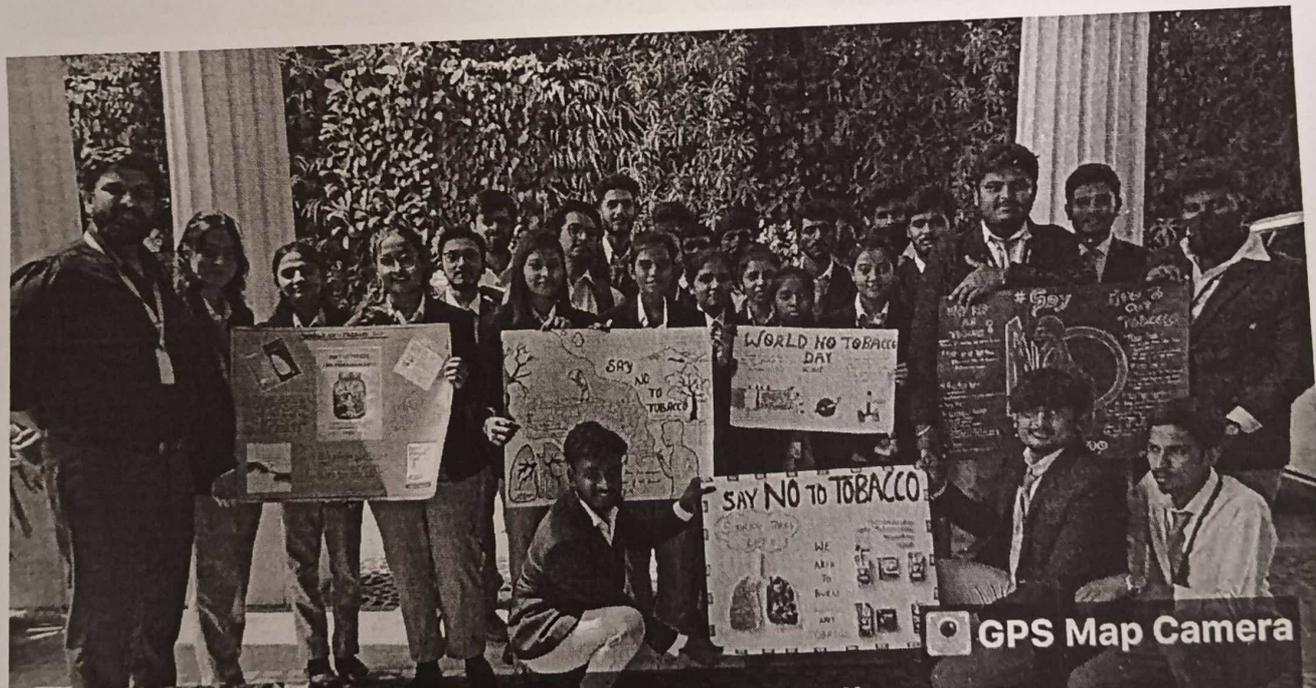

According to the WHO's statistics, India accounts for 12 percent of the world's smokers and more than 1 million Indians die of tobacco-related ailments. Despite considerable progress on tobacco control in India, people, especially men and children continue to fall sick and die due to tobacco use. Treating tobacco-related ailments is an expensive affair and smokers and their families should get themselves insured with a medical insurance policy that covers critical illnesses.

Buying a health insurance policy at Bajaj Markets provides the insured and his family with financial coverage while getting treated for tobacco-related critical illnesses. Besides, it provides a range of other benefits such as lower premiums, quick claim settlement, and diligent customer service. Applying for a health insurance policy at Bajaj Markets is very easy and involves minimal documentation.

### REPORT

#### Department Of Computer Science

**Event: Department Social Responsibility (DSR) Activity**  
**Date: 31/5/2023**

#### Aim

- To create social values
- To care the needy people in the society

VI sem BCA students voluntarily contributed towards donating groceries to the Home of Faith Charitable Trust in Kothnur. Mrs. Shital Kulkarni, faculty member , Dept. of Computer Science, along with the VI sem BCA-B students went to Home of faith charitable Trust to handover the donations on 31/5/2023 at 1.15- 3.30 pm . These students spent time with children of the orphanage by playing games and enjoying snacks with them. They made the children happy.

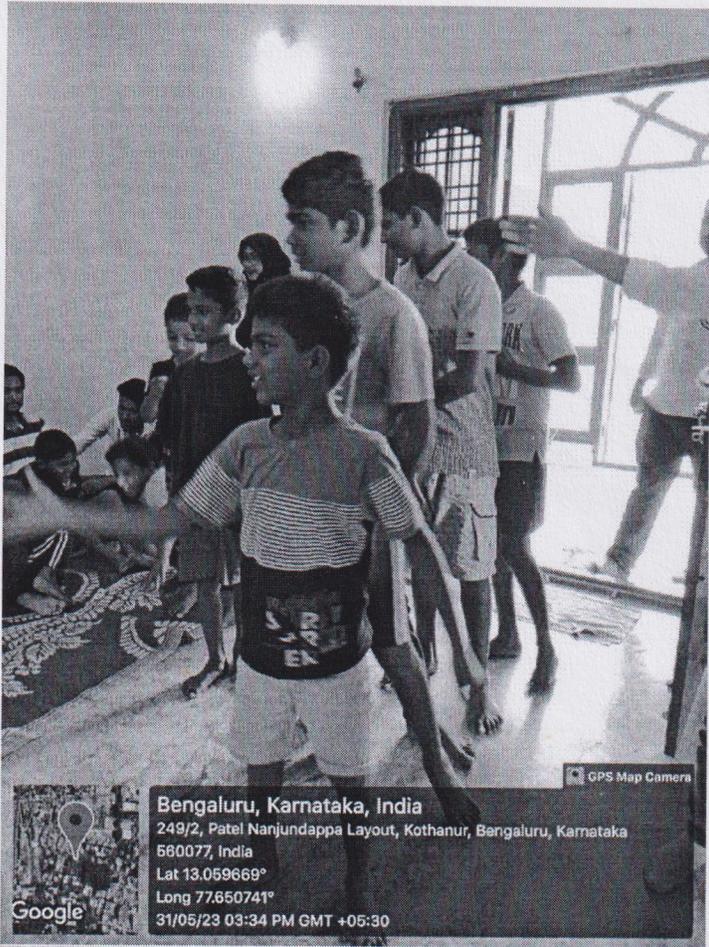

#### Learning Outcome:

- Students realized necessity of contributing to the needy people.
- They understood how they can make a difference in other's lives.
- They were delighted in interacting with the children.

### **Feedback from the Students:**

1. All students were sensitized towards the life and the needs of underprivileged kids.
2. Students have memorable time with Kids by playing games and engaged in different activities with them.
3. It was memorable day for kids who spent good times with students and share their joy and experience.
4. Important Lesson about "small contributions helps a lot" by engaging them in donation collection activities and utilizing in some socially benefit activities.
5. Engagement of students in Learning and socially connecting activities

## CERTIFICATE OF SOCIAL RESPONSIBILITY

This certificate is awarded to Prashanth V, a student of Indian Academy degree college, 6<sup>th</sup> semester, BCA, B section, for his and his colleagues contribution to Home of Faith Charitable Trust by providing groceries to the children along with some games and activities they conducted with the children.

We appreciate his social responsibility towards the society and helping our children for a good cause.
